Location & Local Information

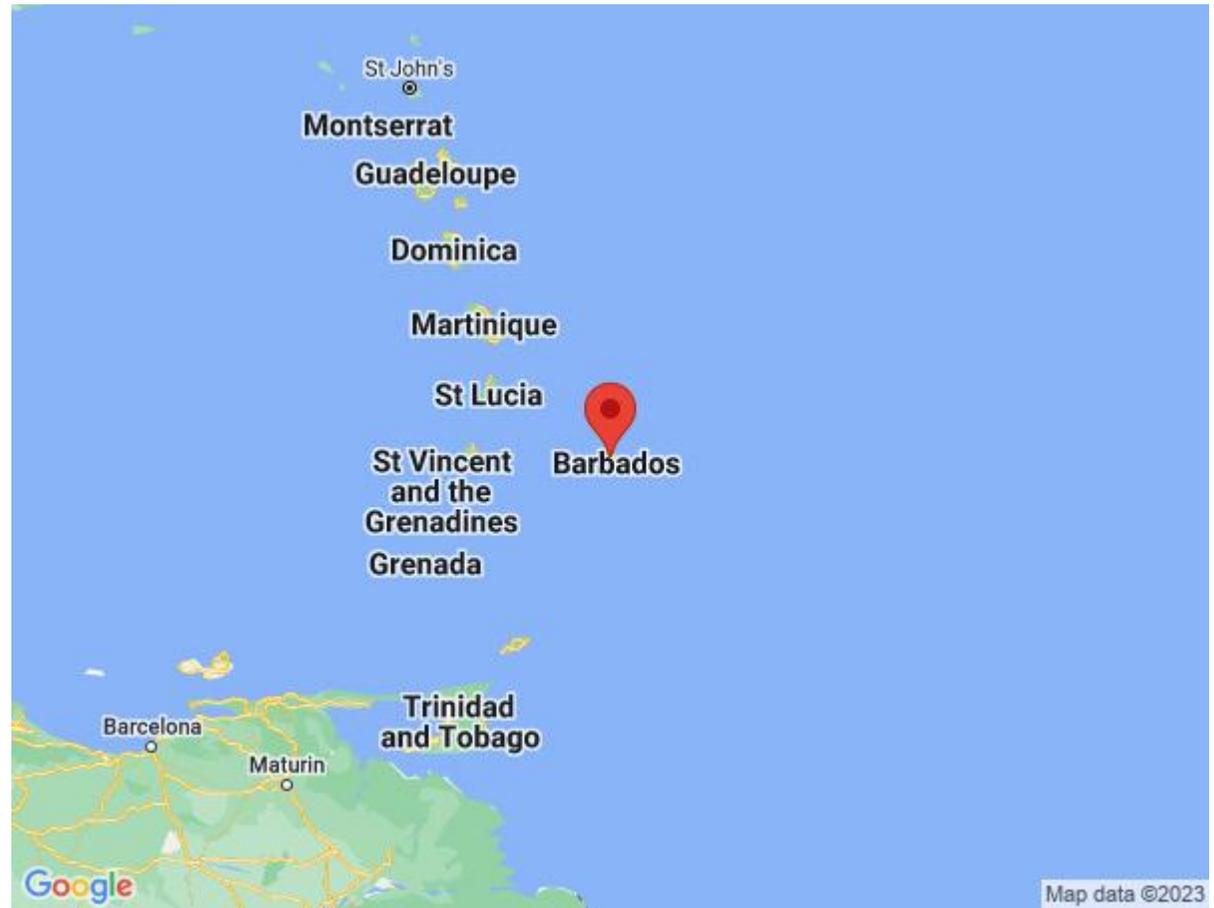

When visiting Barbados, the first thing you are sure to notice are the gorgeous and renowned flat white sand beaches. On the west coast of Barbados, miles of coral shore beaches and fine white sands stretch along a hypnotising turquoise sea. The West Coast of Barbados is also fringed with countless breath-taking Coral Reefs to provide excellent snorkelling and scuba diving opportunities. The South Coast also offers something for everyone, and is a curious mixture of the Caribbean Sea and the Atlantic Ocean. Here you can swim in calm waters, snorkel over the inshore reefs and tidal pools, and at the southernmost tip of the island, you can windsurf.

Inland Barbados is delightful to explore, enchantingly quiet and rural, there are endless fields of sugar cane dotted with old plantation houses. Barbados has a rich and interesting history and has preserved and restored many of its historic buildings – you can visit a plantation house for a trip back in time, see the towering lighthouses that once led ships to safety, or explore the historic towns that are an important part of the island's past and present.

Whilst on Barbados, a taste of the island's rum is a must! The isle has been producing rum for over 350 years, and it is recognised internationally for its quality. Many tours and taste sessions are available at the local distilleries.
