

Beach Retreat

Region: Kent Sleeps: 15

Overview

Beach Retreat offers the 'perfect beach and summer holiday' with guaranteed safe sunbathing 365 days a year!

The house has been newly refurbished to an exceptional standard with king size beds, Jacuzzi bath, marble fireplaces, cinema room, real sunlight room, "St Tropez" style living area with beach bar, full DJ and light effect setup, large gardens and direct access to the sandy beach.

Occupying the ground floor of this former hotel, the property has been refurbished to an exceptional standard to provide a stylish and spacious holiday retreat, nestled in a quiet location at the end of a private road, with a large lawned garden and direct access to the sandy beach.

The retreat is one of the first in the country, alongside The Wholistic Medical Centre in Harley Street and Grange St Pauls 5* Hotel, to have installed 'Real Sunlight's' innovative health-giving sun simulators. The sun room is part of the St Tropez-style large living area and provides a multi-sensory tropical haven where guests can top up their tan and feel fabulous since it is beneficial against a whole host of health conditions such as SAD, stress, arthritis, disorders and more.

Whether it is enjoying playing celebrity chef with the six-hob range cooker, spinning the vinyl decks as a superstar DJ, or relaxing in front of a great movie in the authentic cinema room featuring velvet cinema seats and popcorn machine, guests will have a great time in this house!

After busy days spent on the beach, guests of Beach Retreat are guaranteed an excellent night's sleep in one of the boutique, individually-themed bedrooms. On the ground floor are two king-size double rooms, both boasting luxury en-suite bathrooms and a single room. On the first floor, is a further "time travellers" themed twin room, a second twin room boasting its very own swing and a "surfer-style" bunkbed room, each completed with en-suite bathrooms. Also on this level is a further "Venetian-style" double room which has private use of the family bathroom.

The garden features a large lawned area with cast iron statue, an illuminated well stocked fish pond that houses Koi and goldfish, a small tropical garden, BBQ, outdoor daybed and garden furniture.
