

Villa Mirabelle

Region: Cannes Sleeps: 10

Overview

Lush, green gardens surround this thoroughly contemporary villa in Côte d'Azur - when you stroll past the olive trees to the private tennis court, you simply won't believe your luck! Two balconies look out over the long pool in the garden, where on the other side you can (and should!) dine al fresco on the shady terrace. You'll especially adore the chandelier hanging within the arbor - très chic, pastoral.

Inside, sophisticated bastide style meets modern standards of space and comfort. Though it's a newly built property, it retains the lightness and grace of the south of France (the cream and wicker furniture does the job). Each bedroom has the convenience of an en suite bathroom, where the vanities are large, the baths divine, and light spills across the tiled floors.

Mougins is the local town, you can reach it on foot in 5 minutes (really!), and it hosts several museums and restaurants worth a trip. Surrounding the town are groves of pines, cypress, and olive trees. It's a short and sweet 15 minute drive to Cannes, the famed seaside resort town you've been dreaming of! The shops and the sea at Boulevard de la Croisette are waiting for you.

The picturesque town has also appealed to artists and celebrities over the years, including Pablo Picasso who lived here for the last decade of his life until 1973.

The Mougins Museum of Classical Art is one of many art galleries and studios that are well visited by visitors in the area. The pines, olives and cypress trees in the town also add to the quality of the local environment, making the village popular with tourists in summer.
