

Green Monkey House

Region: Speightstown Sleeps: 8

Overview

Imagine waking up to the ocean breeze rustling through the garden, the smell of freshly breakfast wafting in your room and the morning sun streaming in your window. As you finally come round, the hardest decision you are tasked with is beach day, or pool day? That is what a holiday in Barbados is like, long walks on the beach, stunning sunsets and a lot of sun.

Make the most of this beautiful country at Green Monkey House, a four bedroom villa that is situated in a cul-de-sac just 200 yards from Gibbes Bay, St Peters. This villa is a charming home away from home that has plenty of homely touches to help you settle in and relax.

The four bedrooms are all spacious and offer lovely natural light. Each room offers plenty of storage, so the Barbados wardrobe can be ready to go at a moment's notice. There are also four bathrooms at this villa, so forget arguing over who gets a shower first.

The living spaces are all open plan, letting the sun and breeze flow through the home from the living room to the kitchen and dining room. While the kitchen is well-equipped and a decent size, you will rarely have to lift a finger as the house cook prepares breakfast, lunch and dinner – there's even a housekeeper. This is, after all, the life of luxury.

All of this is set amidst a lush, tropical garden so you can truly embrace the Tropicana experience. The outside area fully embraces the location, with a private pool welcoming you for a daily dip and a pool deck featuring a wooden table, chairs and an umbrella – all set for meals outdoors.
