The villa has recently been extensively upgraded and refurbished; it now boasts three air-conditioned bedrooms each having en suite shower rooms. The Grand Master Bedroom (situated on the Ground Floor) has its own private balcony which has uninterrupted views to Martinique, a private furnished terrace which enjoys direct access to the pool area and views to the sanctuary of Pigeon Island. The Master Bedroom (on the upper level) has two private balconies, so that you can enjoy the sight of the crystal blue of the ocean and the exceptional views to Martinique and Pigeon Island.

There are two beautiful pool areas at the villa, these are linked by a waterfall and enjoy amazing views of the surrounding area. The larger pool is for swimming and the smaller is a shallow pool for relaxing and cooling off.

The villa has an attractive air conditioned sitting room which leads onto the outside dining area which is open sided with a covered roof and ceiling fan, giving further spectacular views to Pigeon Island; it also gives access to the covered, open patios and pool area. The separate inside dining area is linked by an open plan kitchen which is also air conditioned and has all the amenities you would expect.

For all those who travel to this island, tropical weather, glorious weather and the holiday of a lifetime truly does await. St Lucia is also a romantic paradise for couples; bask together under the Caribbean Sun, sail into a champagne sunset and relax under the vast starry sky.
