

# Haystack at the Tryall Club

Region: Jamaica Sleeps: 10 - 16

## Overview

Haystack is the only eight-bedroom villa at the posh Tryall Club. Among the newest, its architecture defines spacious bedroom suites, a long furnished verandah perfect for dining outdoors, a striking red inside dining room and large family play room - all enhanced by overviews of the long private pool, acres of landscaped lawns and breathtaking views of the deep blue Caribbean Sea.

Distinctive at Haystack is the wonderful heated pool (access by youngsters from the upper level of the villa to the pool is limited by baby gates.). Also on the pool level is the spacious Family Room with ping pong, foosball, games table and 44" flat screen television.

Notable are Haystack's handsome granite and tan tile en suite bathrooms. All are thoughtfully designed, well lit and very stylish. Brilliant views of the Caribbean Sea set the backdrop for the largest private villa at the world-famous Tryall Club.
