

Malatai on the Beach

Region: Jamaica Sleeps: 14 - 16

Overview

Malatai on the Beach is a fabulous, eight bedroom, eight bathroom villa, located on the beachfront, slightly to the west of the wonderful town of Ocho Rios. Malatai on the Beach underwent a thorough renovation in 2019. The villa is a heady combination of newly renovated bedrooms and bathrooms, beach frontage, a private chef and exceptional grounds. The villa is a short drive from Ocho Rios with its buzz of entertainment, eateries and shopping.

This villa is one of the newest and largest villas in Jamaica and its grandeur is highlighted right from the entrance that features majestic koi and lily ponds. The chic minimalist background welcomes the Caribbean sun and is offset with touches of wood and Italian tiles.

The main living and dining area opens out onto an impressive furnished patio looking out to the sea, creating the perfect indoor / outdoor space.

All of the fantastic bedrooms have either a terrace or a balcony looking out to the sea. They all enjoy large TVs, air conditioning, and have safety deposit boxes.

Outside area is a true oasis, a large lawned area surrounds the pool terrace and leads down to a white sand beach and azure water. The 35 ft private pool has a 26-inch-deep shallow wading area for children, separated from the deeper pool by a partition under the water and a Baja ledge with two in-water loungers. Next to the pool is a large hot tub, perfect for a sunset soak.

If you want to get out onto the water kayaks are complimentary for the guests to use and life vests are also provided for both adults and children. Also on the outside, is a separate air-conditioned fitness/gym house, tennis court, spacious lawns and a teak party deck with barbeque for outdoor dining by the sea. The fence which ensures there is sufficient privacy, opens up each morning out to reveal a stunning view of the white beach, the blueness of the sea, layered upon the greenery of the lawn.
