Location & Local Information

With over 30 percent of the region's total area made up of woodland, Umbria is known as "the Green Heart of Italy". Villa Savini has the unique advantage of being situated in the very centre of this area steeped with history and tradition.

Umbria is one of Italy's most beautiful and enchanting regions. This tranquil land of saints and ancient mystics, with its romantic countryside and its historically rich medieval hilltowns, inspires a special reverence in the hearts of Italians as well as the foreigners visiting it. More than anywhere else, the region seems to represent the country's spirituality.

With less than a million inhabitants, Umbria's population density is half that of the national average, leaving ample room to express individuality. The simple pleasures of country living, surrounded by idyllic natural beauty, are enhanced by art, architecture, wonderful food and wine in nearby towns and cities throughout the two adjoining regions of Lazio and Tuscany.

Florence and Rome are within a two hour drive, and Siena, Arezzo, Assisi, Todi and Orvieto are all closely linked. The capital city of Perugia is just 20 minutes away and offers a wealth of cultural activities that include opera and the famous Umbria Jazz festival, held every July. Other spectacular hilltop towns include Cortona and Poggio. Poggio has an annual classical music festival and the annual Montone Film Festival which attracts an international audience.

During the summer months, open-air concerts and operas are often staged in the gardens of famous villas and palazzos throughout the region.

Many tours and excursions can be organized for guests during their stay by the Estate's management. Villa Savini offers total comfort for the client and scenic beauty. There are four exclusively furnished bedrooms that overlook luxurious landscaped gardens full of lavender and rose bushes. Breathtaking terraces command endless valley views, making Villa Subtila an idyllic experience.

Guests have access to an 18 hole championship golf course, designed by Robert Trent Jones Jr. A golf clubhouse and restaurant facilities within the same estate are only 3 minutes distance from the villa. These are also accessible by golf cart through a private pathway that runs across the nature reserve. All guests staying have discounts on the golf green fees and at the clubhouse restaurant.

There are a wide range of outdoor pursuits and activities including hunting, fishing and mountain biking.

History

This country estate has risen majestically in the midst of the Umbrian region for more than a millennium.

Inhabited since prehistoric times, the estate has been witness to many historical events which helped shape Italy today. Murlo is situated at the very top of a beautiful hill near Monte Elceto di Murlo and Monte Tezio. It was an easily defensible and dominant position when originally built.

What you should know...

The access road to the Property is a long and occasionally steep private white gravel road, not suitable for sports cars or any other low-height car. We would recommend the use of a 4 wheel drive car.
