

Aranton Farmhouse

Region: Midi-Pyrenees Sleeps: 16

Overview

A beautifully renovated farmhouse set in five acres of grounds with superb views, Aranton Farmhouse is an ideal holiday home for large groups and an idyllic venue for weddings and special celebrations.

A large pool, spacious summer salon and swooping views make this location pure bliss. Book the farmhouse and the lodge together for a big family gathering.

Spanning the main farmhouse and the one-story lodge are bedrooms that can sleep 16. Aranton is the perfect place for a large family holiday in Gascony.

Renovations to Aranton were completed in 2009 and the landscaping has now been completed with a beautiful old lime tree and an Italianate garden at the front of the house. The large pool with a panoramic view, a games room with ping pong and a tennis court are some of the pristine new additions to the estate.

The generous downstairs area includes a fully fitted kitchen with an American fridge, a dining room with pine tables and chairs and a spacious summer salon – leading to a barbecue space – dominated by a wooden mezzanine with views of the beautiful fields.

This well-executed mix of old and new continues into the bedrooms, which are situated in two wings. They are nicely proportioned and unobtrusive. One has armchairs in front of a fireplace, and others have their original wooden floors. All of the bedrooms have white walls and a lot of natural light.
