Location & Local Information

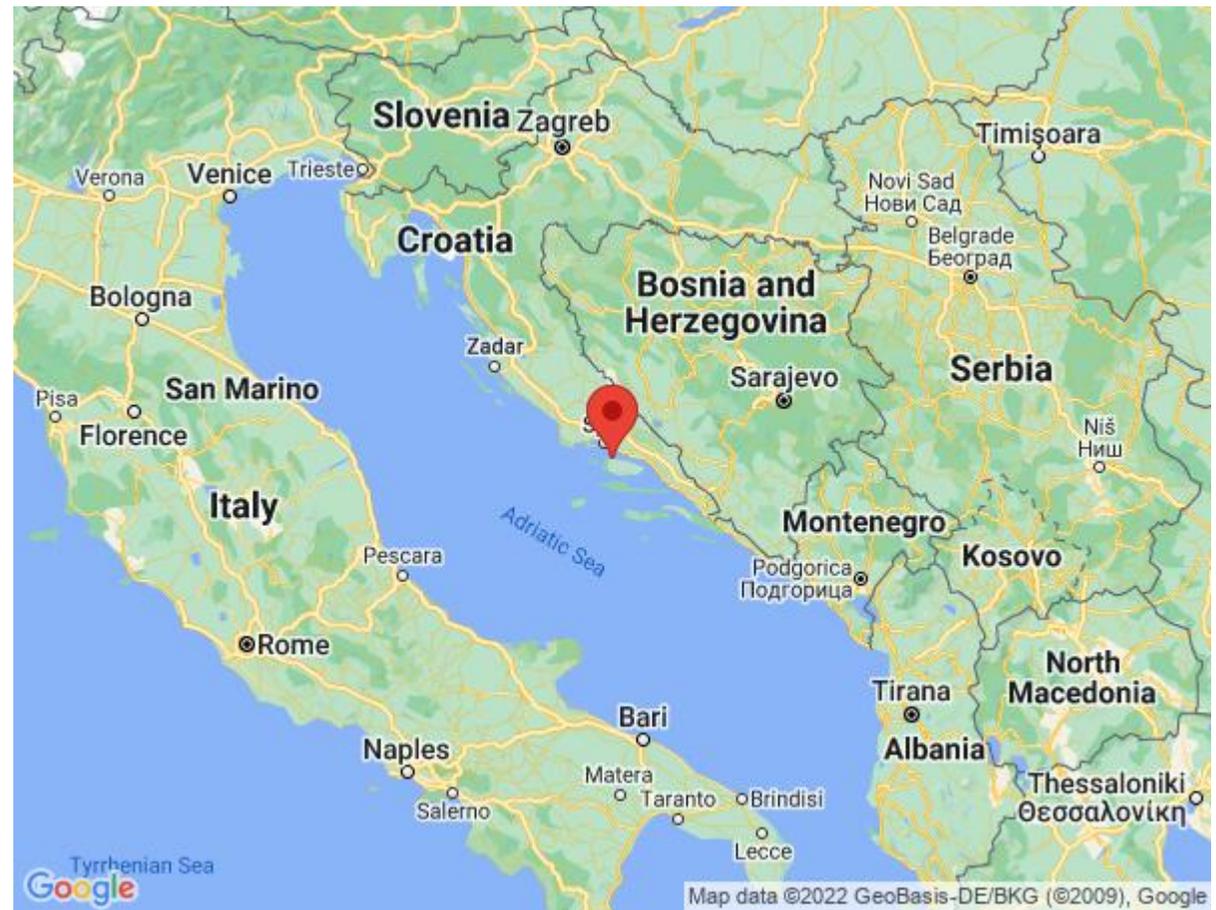

This beautiful villa is located in a prime location right on the sea front in the lovely village of Mirca. Mirca itself is a little village on the popular Brac Island. It is situated 5km from Supetar and is distinguished with the characteristically rustic atmosphere of a little Mediterranean village. On this part of this wonderful island, there are idyllic sandy beaches with pine trees shading the edges. The beaches are perfect for all members of the family, as children can safely play in the shallow sea water. The proximity to Supetar, makes Mirca an ideal retreat away from the busier areas, whilst remaining close to the amenities and facilities they offer!

Supetar is the perfect spot for exploring the island of Brac. Supetar is the largest town on the island. The harbour is attractive for a stroll and is backed by a small network of medieval streets lined with local cafes and small shops where you can wander and meander for hours at a time!

Brac Island is the longest and most elevated island in central Dalmatia. Despite its proximity to Split, Brac is less touristy than the glittering islands of Hvar and Korcula further south. Make sure you try some of the olive oil on the island, the olives are of a rare variety called buhavica and there's over a half-million trees! Famous for the Zlatni Rat beach, known to be one of the most beautiful beaches you can visit, a real gem on the island!
