Location & Local Information

Villa Viros's location is ideal for any holidaymaker looking to relax in privacy, elegance and style. It offers a diverse range of activities, as well as having excellent beaches within a short driving distance.

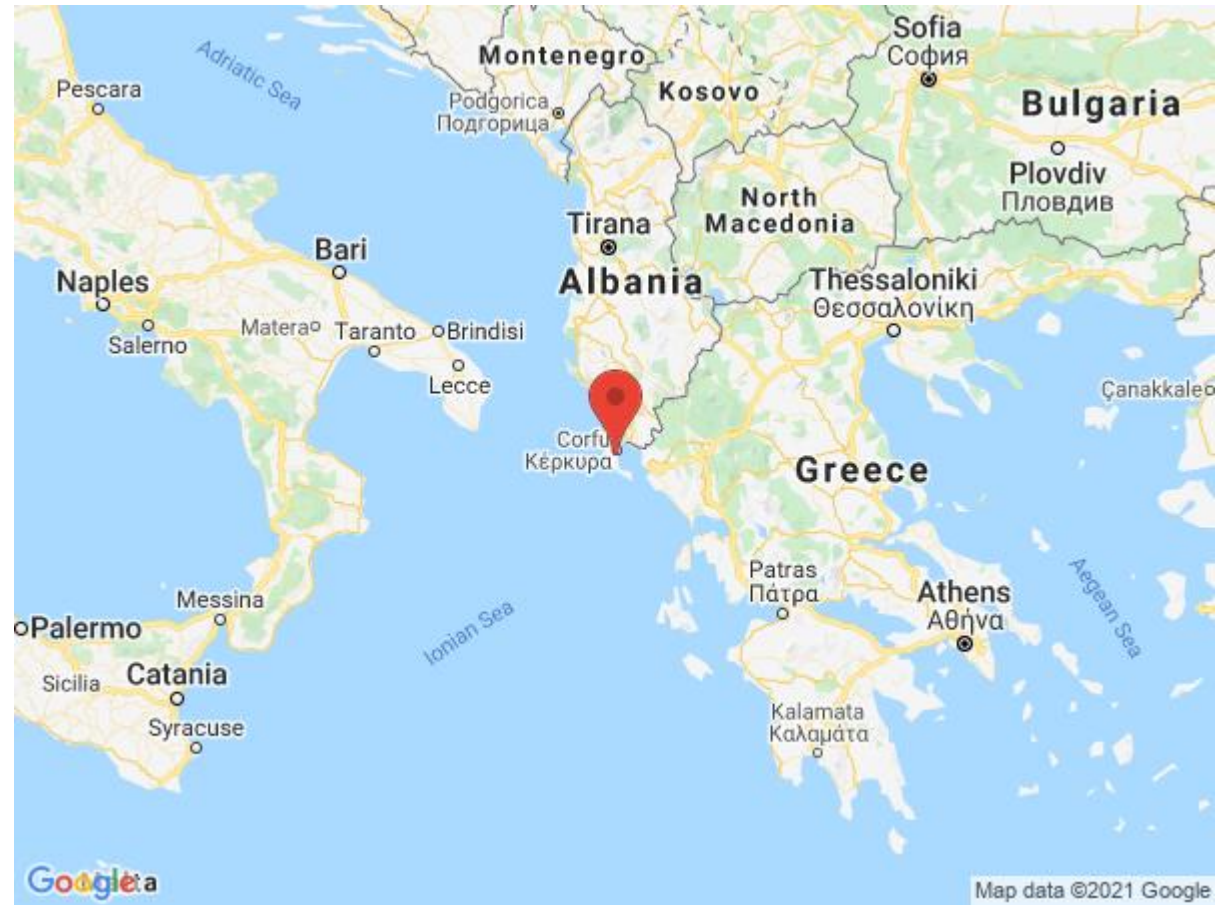

Following a small private road up to the top of a hill, Villa Viros sits away from the crowds and offers some truly stunning views. It captures the sun all day long - literally from sunrise to sunset.

Corfu Old Town is famous for its historical centre, where'll find Venetian buildings recently granted status as a Unesco's World Heritage Site. One of the most beautiful Towns in Greece, the jewel of Corfu Island really shouldn't be missed. Villa Viros is one of very few private holiday accommodations within such easy reach of the Old Town.

It's also close to the Achilion Palace, originally built as a summer retreat for Empress of Austria (talk about having fancy neighbours!) The location of this Palace was chosen specifically for the natural beauty of Gastouri, very close to where Villa Viros is located.

What Oliver loves...

- You can easily spend all day on your private terrace! And why not, the pool is idyllic, the loungers are beautiful, and there's a substantial shaded al fresco dining spot... plus the most amazing sunrise
- The house has been designed and decorated beautifully by its stylish owners, it is so comfortable!
- Very close to Corfu Old Town with a great choice of shops, bars, restaurants and more!
- The main bedroom suite upstairs is to die for

What you should know...

- The villa overlooks the airport across the bay (20 minutes' drive away), however there is no audible intrusion whilst you enjoy your sunset G&T
- Not coastal, though the beach is only a few minute's drive away
- While the villa is in an excellent location, we recommend hiring a car to fully explore the wider area
- Due to the modern style, including open stairs, the house isn't recommended for toddlers or young children
