

Le Lierre Cottage

Region: Loire Valley Sleeps: 6

Overview

A spectacular house set in grounds so beautiful they've been regularly used as filming locations, Le Lierre Cottage is sure to give you a real taste of true luxury French living.

This charming and unique property offers guests the chance to live in peaceful and relaxing surroundings that have been honed with loving care by generations of the same family, who have owned the property for nearly 300 years. From the 17th to the mid 19th century, Le Lierre Cottage was primarily a wine property, incorporating vineyards and a winemaker's house - a heritage that's still very much in evidence to this day.

The property is located in an expansive rural area including a wood, pool, and topiary garden. The cottage benefits from its own entrance and a garage, while the pool is shared with Frédérique and Rémi, the property's owners, who live nearby in the master house. At any time of year, the cottage is exceptionally cosy and comfortable - there's a lot to be said for looking into a longer winter rent here, where you can really explore and appreciate everything the amazing region around Loiret has to offer.
