

Villa Violet

Region: French Riviera (Cote D'Azur) Sleeps: 14

Overview

Free spirited art-lovers will be quite at home at this ultramodern villa in the French Riviera. Life is full of colour here; bold pops of red brighten the living space, and modern art adorns the walls. The electric green table and chairs add excitement to dinner on the terrace beside the cool blue pool. Social gatherings flourish, even in the sleek grey and stainless steel kitchen where friends can gather around the island (to toast with good French wine, of course).

The whole family will feel welcome, even the dog; pets are allowed upon request. There's a dorm room that's perfect for the kids: it has 4 twin beds, video games, billiards, and table football. Set the children loose on bicycles if they're adventurous. Meanwhile, the adults can lounge on the comfortable furniture on the terrace, overlooking a view of the bay of Lavandou.

The town of Le Lavandou is close at hand to your holiday villa, where shops are just 1 km down the road. The most direct way to the beach is using the sloping 2 km footpath. The seaside is welcoming as can be, with pretty terraces lined with shops - French Riviera perfection.
