

Eco Des Montagnes

Region: Meribel Sleeps: 10

Overview

Owned by former members of the British Ski Team, Eco Des Montagnes has been described by UK newspapers as "one of the ten best chalets in the Alps."

The real centerpiece of the chalet is the living room, with its sunken fireplace and breathtaking panoramic views of the surrounding valley. This self-catered chalet sleeps 8-12. There are four wood-paneled bedrooms with brand new en-suite bathrooms and a small bedroom under the eaves with a half bath for kids or extra guests.

The brand new kitchen has dishwasher, double fridge, double oven, microwave, stove and plenty of storage space. There is a full service laundry room with two washing machines and dryer. Free English/French satellite TV and Internet is included, so there's plenty to do when you're not out on the piste!
