Location & Local Information

Located on the outskirts of Javea, in the eastern part of the region, in a convenient position, 110 km south-east from Valencia, 90 km north-east from Alicante.

Javea is a small, historic town, free of high rise buildings offering a relaxing holiday atmosphere. The local people are friendly and affable. The clean, warm, blue Mediterranean Sea laps the beautiful beaches and coves that Javea has to offer.

With its variety of landscape, ranging from sandy coastlines to rugged mountain areas, its mild year-round climate, its careful planning policies and extensive tourist facilities, Javea is a jewel on the Costa Blanca, combining beauty and modern facilities with the charm of an ancient fishing village.

Javea old town is steeped in history, and it's evident in the architecture, with its Tosca stone porticoes, gothic bay windows, wrought iron window bars and balcony railings. The church of San Bartolomé in the town centre is an example of late gothic architecture with a defensive character. The "Soler Blasco" Archaeological Museum is close by in the narrow streets and offers a wealth of information about Iberian history.

In the centre of town the covered indoor market sells all sorts of fabulous fresh local produce: fruit, vegetables, meat and fresh fish are brought up from the port daily.

The importance of the town's maritime activities is apparent in the port area; known as Aduanas de Mar, it boasts a lovely promenade and some excellent fish restaurants where you can enjoy the 'catch of the day'.

The Arenal area offers a beautiful sandy bay with palm trees and play areas for children. The bay is framed by the promenade with its wonderful choice of bars and restaurants offering national and international specialities.

Javea has an excellent choice of sea sport and fishing facilities. The modern yacht club at the sports marina has nearly 300 berths and offers all types of water sports: sailing, fishing, scuba diving, water skiing, and windsurfing.

The Javea town fiesta is held during the second fortnight of July and is an occasion for feasting, dancing, parades, music and fireworks, as are the Moors & Christians parades at the end of August.

Javea enjoys a typical Mediterranean climate, with cool sea breezes in summer and protection by surrounding mountains against the cold North winds in winter. The area averages nearly 3,000 hours of sunshine each year

and the average temperature easily exceeds 20 degrees.
