

Casa Negra

Region: Puerto Pollensa **Sleeps: 6**

Overview

You can practically smell the ocean at this traditional stone villa in Mallorca at the foot of the Boquer mountains. A 20 minute walk from the white sands of Puerto Pollensa, you're perfectly situated to work on your tan (or scuba diving, or sailing...) If the beach isn't for you, you've got the comfort of a private pool in the garden, surrounded by pleasant palms and the rolling hills.

This farmhouse-style holiday villa is all about family. There's one small TV, but you might not even turn it on. Sitting areas inside and out invite you to open a bottle of Mallorcan wine and connect with your loved ones. Bring the ingredients for a feast home from the Sunday market in Pollensa, and lay it out at the long wooden farmhouse table on the terrace for a truly sumptuous meal.

The natural beauty of Mallorca isn't only in beaches - visit the Cap Formentor lighthouse for a look at craggy cliffs above the blue of the bay. The mountainous terrain means there are opportunities to hike, climb, or zipline. Climb the 365 Calvari Steps in Pollensa (7 km) for an astounding view of the town below - what a holiday!

Location & Local Information

The property is located close to the beautiful bay of Puerto Pollensa, and a short drive to the historic town of Pollensa and Cala San Vicente.

Puerto Pollensa has a wonderful long sand beach, perfect for families due to the shallow waters there. Cafes, restaurants, ice cream shops and bars line the beach, along with water sport facilities.

Pollensa has everything you need for a wonderful holiday, situated inland from some of Spain's finest sand beaches. The town itself centres around beautiful cobbled streets leading to a traditional church.

Wander the streets that lead to the church to discover traditional outlets selling a range of foods, arts and crafts as well as cafes, restaurants and bars. The highlight of the week is the authentic and traditional market that occurs every Sunday morning. Get there early to secure the freshest fruit, vegetables, meat and fish.

The Calvari steps provide the best view of the local area, but be warned that to get to the top you have to climb 365 of them. However, the climb is worth it and the views definitely do not disappoint.
