What Oliver loves...

- The Villa has been so well decorated that you feel right at home the minute you step inside
- The solar powered pool which is hidden away from the house in the most idyllic garden is the best part of the house!
- As El Cortijo is set in the Andalusian hills there is plenty of outdoor space for country walks if you get tired of sitting by the pool

What you should know...

- As it is so secluded the nearest party town is quite far away
- The beach is around 50 Km away so you would need a car to get there
