

Le Renard

Region: Courchevel Sleeps: 6

Overview

Set against the dramatic backdrop of Courchevel Moriond, Le Renard is the perfect place to base yourselves for your next ski retreat. Whether you're travelling as a group of friends or as a family, Le Renard is a great choice for snow lovers looking for a little slice of luxury between ski sessions.

Le Renard is a gorgeous three-bedroom apartment dressed in traditional ski-lodge stylings within the luxurious Portetta complex. Designed with skiers in mind, Portetta is situated right beside Courchevel Moriond's ski lift, making it the ideal ski-in, ski-out accommodation. Simply pick up, or drop off, your equipment at the in-house storage and rental shop and you're ready to go.

Like something from a postcard, your apartment is a picture-perfect ski cabin mixing all the cosiness of a rustic cabin escape with the comforts of modern living. Le Renard is wonderfully spacious, with ample room for guests to spread out and do their own thing without feeling cramped. When together, the central lounge forms a natural hub for the property with a large open-plan space that combines your living room and dining room. A comfortable seating area wraps around a large traditional open fireplace with your family-style dining table to the rear. Patio doors open out onto a raised balcony, giving you amazing views of the Courchevel Moriond valley.

For cooking, you can whip up delicious meals in your fully-equipped kitchen that comes with all the mod cons we know and love like a Nespresso Machine. For times when you don't fancy cooking, a wonderful restaurant is located within Portetta called Cucina Angelina that serves Italian-inspired mountain favourites.

Sleeping arrangements are spread across two floors with two bedrooms on the lower level, just off from the kitchen, and the third bedroom located above in a separate mezzanine. The two lower bedrooms both have a double bed and clothes storage. One bedroom has a private en-suite bathroom with a bathtub while the other has a private walk-in shower room and access to a communal toilet in the apartment hallway.

In the mezzanine, a small but cosy secondary lounge awaits with a small seating area gathered around a stylish coffee table. The third bedroom is located past the upper lounge, comprising of a double bed, clothes storage, a private en-suite bathroom with a bathtub and access to a second private

balcony.

If you fancy having a day off from the slopes and need to rest your weary muscles, a world-class spa is located right inside Portetta. Offering a fantastic range of beauty and wellness treatments, the spa is the perfect place to rest and relax for a few hours.

Location & Local Information

Nestled in the heart of Courchevel Moriond, Le Renard is a fantastic place to base yourselves for a holiday full of laid-back snow action. With the fun of the pistes right on your doorstep and easy access to Courchevel Moriond's sister resorts, Le Renard deserves every bit of praise it has received.

Getting to Le Renard is relatively straightforward; you can drive directly to Courchevel Moriond and park up at Portetta or you can fly into Geneva Airport and transfer over to the property from there. Bear in mind, however, that Le Renard is approximately a two and a half hour drive from Geneva if you're planning to transfer from Geneva.

Once settled in at Le Renard, you can set about exploring the area. Although Courchevel Moriond has its own extensive list of slopes to choose from, the village is actually part of a wider resort known as the Three Valleys. Comprised of three separate, but connected, ski villages at different elevations across the valley. Courchevel Moriond sits at the centre of the three, with Courchevel 1550 and Courchevel 1850 just a short drive away. If you don't have access to your own car, a regular bus service runs between the three sites each day.

Your village, Courchevel Moriond, is a lovely self-contained spot with all of your immediate amenities taken care of. Around the area, you'll be able to find delicious restaurants, trendy apres-ski bars, shops and supermarkets for your grocery needs.
