

Villa Nuno

Region: Moraira Sleeps: 12

Overview

Located in the Cumbre del Sol close to Moraira, villa Nuno certainly shines in the sun. Located on the crest of a hill overlooking the beautiful town and on to the distant sea, its beautiful terrace and sparkling pool set it apart from the standard villa.

The interior, detailed with wooden and cast iron furnishings using traditional Spanish design, is exemplified by the lovely lounge with high ceilings. The bedrooms are equally classy, fitted with queen size double beds or twin singles, and all positioned to allow the morning sun to stream in through the windows. The kitchen is large and equipped with granite worktops.

A separate annex apartment is accessed externally and consists of two modern bedrooms and a bathroom.

The exterior terrace is pristine and equipped with wicker arm chairs and dining facilities. The large private pool is a few strides away and with ample space to relax around it, outdoor living is a must at this villa.

Location & Local Information

One of Costa Blanca's most beautiful suburban areas, Cumbre del Sol has its own supermarket, bank, pharmacy and restaurants for easy essentials, while also being under half an hours drive from some of the most popular and vibrant coastal towns of Spain including Benidorm with its theme parks, Javea with its national parks, and nightlife, Moraira with its history and scuba diving, and a whole host of other activities including go-karting, horse riding and of course, many beaches.

Though a resort town, Moraira takes pride in its maintained connection to its roots as a quaint fishing village. Great care is taken to maintain a whimsical and tasteful feel to the otherwise well equipped town that can provide easy access to all necessary commodities. The surrounding countryside is also breathtaking and highly accessible, with plenty of scenic walks and vineyards just waiting to be explored.
