## What Oliver loves...

- Many of the furnishings are one off pieces that have been imported from all over the world, giving each room its own stunning and unique aesthetic.
- As part of one of the most desirable resorts in Tenerife, you can enjoy the spa, restaurant and bar facilities that create a 5 star experience, in a prime location for exploring all the island has to offer.
- Your own private pool on the terrace is an unexpected and welcome feature in a one bedroom property!

## What you should know...

- The incredible beaches are what bring most people to the island, but this property is still a short drive from the coast.
- Whilst your villa is still secluded and peaceful, the resort experience won't suit everyone.
