

Villa Waringin

Region: Canggu Sleeps: 12

Overview

Villa Waringin is revered as one of the very best beach front properties in Bali. This immaculately kept luxury villa has a team of staff that offer a professional and attentive service to cater to your every need.

The owners at Villa Waringin have taken care to ensure the villa has its own unique identity, putting a French influence on the stunning interior design, whilst maintaining a connection to the rural Bali that surrounds the property.

The six bedrooms are spread across two floors and are furnished with gorgeous cabinets, chairs and beds throughout. Each bedroom is air conditioned and the beds themselves are fitted with mosquito nets, for those particularly bothersome months!

The living area is located on the ground floor and this is an ideal area to seek refuge during those intermittent rain showers. During the evening, take advantage of the sound system or cinema projector to keep yourself and your guests amused.

Making your way outside and you are greeted by a large private swimming pool, which almost looks as if it breaches the sea. If you're travelling with children, you will be pleased to know that there is a child friendly swimming pool and a pool fence can be fitted. The garden area has several places to relax and unwind, so examine every corner whilst sipping on a cocktail.

Within the grounds of the Estate, you can find a communal tennis court and gym. When you are done with your day of leisurely exercising, get ready to tackle the immediate area. Remember, all you need to do to find your holiday villa is to wind your way through the rice fields to find your own private beach paradise at Villa Waringin!
