## Overview

Nestled in the heart of the Three Valleys ski resort, Chalet Martin is a beautiful luxury chalet ideally located just a short hop away from the pistes. Once you touch down at Chalet Martin, the hardest thing to do is leaving once your trip is over.

Chalet Martin has been expertly designed with guest comfort in mind, creating the perfect blend of rustic charm and modern elegance. With each room artfully decorated in traditional Alpine stylings, no expense has been spared when it comes to quality or comfort.

Spread across three spacious levels, this traditional chalet has a lot of surprises for you to discover. Your first level opens up into a spacious entry room with space to store your coats and ski equipment. Behind the entry hall is a beautiful oasis of tranquillity and wellness with your own indoor swimming pool, a home spa and a wonderfully relaxing sauna room. Two bedrooms are also located on the ground level.

On level two is your main living space, comprising of a large open-plan living room and diner filled with comfortable inviting seating and a cosy fireplace at the centre of the room. Floor-to-ceiling windows fill the room with beams of natural light creating a truly beautiful scene. While you're free to use the kitchen whenever you want, a trained private chef will create delicious meals for you and your group with a daily breakfast as well as revitalising afternoon tea and cakes and a four-course evening meal six days a week. On your uncatered nights, your chalet team will be happy to recommend delicious dining establishments in the heart of town.

A small annexe room with a smaller secondary lounge to the rear of the dining room gives access to a third bedroom and an outdoor terrace. The top floor is the smallest of the three with your final two bedrooms and a dedicated home cinema room.

Each bedroom at Chalet Martin has either two twin beds or a double bed as well as a private en-suite bathroom for your convenience.

Throughout your stay, your chalet manager will be on-hand to support your group with anything they may need. Their expert support will start long before you arrive, ensuring your comfort and convenience at every step, with lift passes, ski hire and more all arranged in advance should you desire it.
