Location & Local Information

The area around Lake Como is one of outstanding beauty. Stretching from the Swiss Alps to the Grigne and Legnone ranges, Lake Como is guarded by spectacular mountain landscapes. Pastel-coloured villages perch along the shorelines and trail up the steep sides. In this part of Italy, there are the simplest rural dwellings as well as the palatial villas of the 18th century.

Whether exploring the lake by foot, car or boat, it should be a leisurely experience. Choose from one of the numerous activities the area offers, or simply enjoy the comfort of the splendid private villa.

The villa offers panoramic views of the hill with Rockefeller's world-renowned Villa Serbelloni and the Pescallo Harbor. With this geographically-privileged location, guests at Villa Sancia can experience the wonders of Lake Como right from their backyard or pop down to beautiful nearby Bellagio, known locally as "the Pearl of the Lake", for its traditional trattorias, much-loved gelato and fantastic shopping
