Location & Local Information

Villa Canteras is situated on the celebrated Salobre Golf Resort - the only resort in the Canary Islands that combines two eighteen-hole courses on the same site. The resort really is the toast of the island, featuring the best greens in the region and promising players of all levels a challenging game in a stunning setting.

Salobre Golf Resort is just minutes from the up-market resort towns of Maspalomas and Meloneras, so if you fancy leaving the clubs at the villa for the day and heading out to see the sights with family and friends, you can't go wrong here! Maspalomas, in particular, is well-known for its vast expanses of coastal dunes, a protected site that covers over a thousand acres. You can explore much of this area on foot, taking in breathtaking sights such as the beautiful lagoon and lighthouse, but we recommend taking a camel safari for a truly unique and fun way to experience this incredible landscape.

The Maspalomas Botanic Garden is an often under-rated attraction that is well worth a visit while you're here in the region. Situated right next to the Salobre golf course, this collection of cacti and brightly coloured flowers provides a quick yet relaxing photo opportunity pit stop before you head off for a bite to eat - and this is where you're really about to be spoiled for choice! Both Maspalomas and Meloneras are bursting with fantastic seafront restaurants offering a tantalising mix of fantastic views and even better food! If seafood is a particular favourite, you're in for a treat, but you won't struggle to find other types of cuisine here either! The region has a wide range of delicious cuisine on offer, such as pulpo and prawns, grilled calamari, paella, steaks, tapas, burgers and vegetarian and pasta dishes - as well as plenty of bars where you can enjoy cocktails and pre-dinner drinks.

There are some fantastic outdoor markets to visit in the area, both during the week and on Saturdays, with stalls selling everything from clothing to fresh produce. You'll find a wide array of aloe vera products on sale here, as the plant is native to Gran Canaria, so be sure to grab some locally-sourced skincare during your visit! If you're looking for a higher-end shopping experience, head to Boulevard Faro, where you'll find well-known labels like La Perla, Burberry and Tommy Hilfiger, and, if you walk a little further along the seafront, you'll come to the Bellavista Shopping Centre and El Varadero Shopping Centre, as well as even more cafes, bars and restaurants that offer a welcome break when you can't carry any more bags!

What we love

- Villa Canteras is part of an exclusive complex with incredible views of the golf course
- Salobre golf resort is close to the popular towns of Meloneras and Maspalomas and all the amenities they have to offer
- The villa has a private pool - perfect for taking a cooling dip when you come off the greens
- We loved the villa's modern touches which includes a Smart TV, WiFi and air conditioning throughout

What you should know...

- If you're travelling with very young children you'll be pleased to know that a highchair and cot are available on request
- Villa Canteras is part of a residential area, and so guests are expected to refrain from excessive noise such as parties
- The villa's private pool doesn't have a fence or barrier of any kind so parents of young children will want to be extra vigilant
- Villa Canteras is incredibly modern throughout and so probably wouldn't be suited to those who are looking for a more rustic, country-style vibe - think more 'high-end hotel' rather than 'cosy cottage'
- Car hire is advised
