Overview

If you've been dreaming of your perfect family golfing holiday, Villa Sardina is a stylish and luxurious home-from-home that will appeal to golfers and non-golfers alike thanks to its spacious, modern design, and exclusive amenities, and stunning mountain views. Situated on Gran Canaria's celebrated Salobre Golf Resort, just a few minutes' drive from beaches, shopping centres and restaurants, this stunning, two-storey, two-bedroom villa can accommodate up to four guests and offers everything you'll need to enjoy a relaxing and memorable stay.

The interior of Villa Sardina is light and airy, with plenty of floor-to-ceiling glass doors providing access to outdoor spaces and showcasing those incredible views of the golf course and the mountains beyond. The open-concept lounge/diner and kitchen feature a light, neutral colour palette with accents of chocolate, peach and tangerine. There are cosy, cream-coloured sofas on which to rest and relax and modern home-from-home comforts such as a flat-screen smart TV, WiFi and air conditioning. A modern and stylish dining suite ensures that you and your guests can enjoy busy breakfasts and evening meals in style, and the well-equipped kitchen has everything you'll need to cater to every culinary whim. From here, you have direct access to a fully-furnished, partially-covered terrace and barbecue area - perfect for after-dinner drinks beside the pool or alfresco meals after a day on the golf course or exploring the surrounding area.

On the ground floor, you'll find one of Villa Sardina's comfortable and spacious double bedrooms, featuring twin beds (ideal for the kids!), plenty of wardrobe space, and an ensuite bathroom with a bathtub for added convenience. The second bedroom is located on the first floor and features a double bed, wardrobes and ensuite bathroom, as well as providing access to the villa's solarium terrace. Here you'll discover the perfect spot to enjoy a morning coffee as the sun comes up, catch some rays, relax with a good book, or sit back with an aperitif and take in the magnificent views.

Villa Sardina's grounds offer even more luxury, with both sunny and shaded areas to enjoy on the spacious lawn area, complete with stylish sun loungers and parasols. The garden is enclosed by stone walls, shrubs and palm trees, offering privacy and peace of mind, and the villa's private pool, with ladder access, is the perfect addition for cooling off after a day on the course.

Location & Local Information

Villa Sardina is situated in idyllic surroundings on an exclusive complex on the Salobre Golf Resort - one of Gran Canaria's premium leisure resorts and the only resort in the Canary Islands that combines two eighteen-hole courses on the same site. Salobre Golf Resor really is the toast of the island, featuring the best greens in the region and promising players of all levels a challenging game in a stunning setting.

The resort is located just minutes from the resort town of Maspalomas, so if you fancy leaving the clubs at the villa and heading out, you can't go wrong here! The area is well-known for its vast expanses of coastal dunes, a protected site that covers over a thousand acres. You can explore much of this area on foot, taking in sights such as the beautiful lagoon and lighthouse, but we recommend taking a camel safari for a truly unique and fun way to experience this incredible landscape.

The Maspalomas Botanic Garden is an often under-rated attraction that is well worth a visit while you're here. Situated right next to the golf course, this collection of cacti and brightly coloured flowers provides a quick photo opportunity pit-stop before you head off for a bite to eat - and this is where you're really about to be spoiled for choice! Maspalomas and nearby Meloneras are bursting with fantastic seafront restaurants, and if seafood is a particular favourite, you're in for a treat! Here you'll find delicious cuisine on offer, such as pulpo and prawns with potato foam and grilled calamari, paella, steaks, burgers and pasta dishes, as well as plenty of tapas restaurants and bars where you can enjoy cocktails and pre-dinner drinks.

There are some fantastic outdoor markets to visit, both during the week and on Saturdays, with stalls selling everything from clothing to fresh produce. You'll find a wide array of aloe vera products on sale here, as the plant is native to Gran Canaria, so be sure to grab some locally-sourced skincare during your visit! If you're looking for a higher-end shopping experience, head to Boulevard Faro, where you'll find well-known labels like La Perla, Burberry and Tommy Hilfiger, and, if you walk a little further along the seafront, you'll come to the Bellavista Shopping Centre and El Varadero Shopping Centre, as well as even more cafes, bars and restaurants that offer a welcome break when you can't carry any more bags!

What we love

- Villa Sardina is fully air-conditioned throughout for a comfortable stay
- The villa is spacious and open-plan with a modern, high-end design both inside and out
- We loved the enclosed garden and private pool, it meant the kids could play in safety while the adults relaxed
- Villa Sardina is located just a short journey from Maspolomas and Meloneras and all they have to offer in the way of attractions, beaches and restaurants

What you should know...

- The villa's private pool is only accessible by ladder, which could prove tricky for very young guests. There's no fence or barrier either, so parents will want to make sure little ones are well supervised
- If you are staying as a couple with children, be aware that the two bedrooms are on separate floors, which might not be ideal for very young children
- A cot and highchair is available on request
- Naturists are welcome at some of the beaches in the region
- Car hire is advised
