

Villa Giovanta

Region: Chania Sleeps: 11

Overview

Villa Giovanta is a magnificent and lavishly furnished villa perched on a gentle hillside above the lovely seaside village of Kontomari, boasting seemingly endless views across the Cretan Sea to the Kissamos Peninsula and beyond. The sunsets here are simply gorgeous. Equally impressive are the fabulous grounds, where a carefully tended and colourful border surrounds the larger than average private swimming pool, where one can swim in utter privacy. Inside, the spacious interiors are tailor made for comfortable living, with chunky sofas and hand crafted furniture, not only in the main house, but also in the self-contained annexe, making Villa Giovanta the perfect base for large families or groups of friends travelling together. The location is just as impressive as the views and the villa itself, with Kontomari a twenty-minute stroll away, where an eclectic array of restaurants, café bars and shops await. For beach lovers, two of the islands best sandy beaches, Elefanissi and Falassarna can be found within an hour's drive from this amazing villa.
