

Chateau Tournesol - Cedar Cottage

Region: Aquitaine Sleeps: 4

Overview

In the shadow of Chateau Tournesol, a 17th Century castle situated in the beautiful region of Gascony, the Cedar Cottage is an amazing lodging offering a direct access to the East Wing of the main house, while benefitting from a private car park, private access to the Cedar Park and access to a shared swimming pool.

The whole estate has been lovingly restored by its owners with all the amenities one needs, let's just say it's fit for a king!

Set amongst sunflower fields, the atmosphere couldn't be more tranquil and relaxing, as if you were in an another world.

The location in the centre of a historical region, only 10km from Nerac, is simply wonderful and one can even visit the castle of King Henri IV of Navarre.

There are also several fun activities available for you at the castle! See our "Location" Tab for more details!

Note: you will have access to the Cedar Cottage amenities and to the shared pool only. Other guests may be staying in the main chateau. You may choose to rent our Cedar Cottage together with the [Pool Cottage](#), or alternatively to rent the entire [Chateau Tournesol](#) estate, which would include both cottages, the Chateau, and all of the estate's facilities for your group only.. Please contact us for further details.
