

Villa Chiron

Region: Corfu Sleeps: 8

Overview

Villa Chiron holds an excellent location on the outskirts of Barbati, a beautiful and idyllic seaside village halfway between historic Corfu Town and the popular village of Kassiopi. Situated only 100m above the sea, the villa boasts picturesque views along the coastline. Villa Chiron is one of a group of three exclusive villas, sharing this fabulous position.

This modern and stylish villa comfortably sleeps up to eight guests across four beautiful bedrooms. On the ground floor, there is spacious living accommodation with an open-plan living and dining room; large patio doors lead onto the terrace; this helps let in natural light and allow visitors to enjoy more of the gorgeous views. Also on the floor is one of the double bedrooms, which comes complete with an en-suite bathroom. Upstairs, there are three bedrooms with en-suites, one being a second double while two are twin rooms. Each of the bedrooms has a private terrace or balcony; these overlook the pool area and again have spectacular sea and mountain views.

Outside is a large infinity-style private pool; this is the perfect spot for a dip while soaking up the beautiful surroundings. There is also a large terrace area with cosy sofas, sun loungers and a covered dining area, great for alfresco dining or just enjoying a quiet drink in the evening!

The lovely stretch of beach is also renowned as being one of the cleanest and prettiest on the whole island; quite a feat when you consider just how many beautiful beaches there are on this captivating island. As well as the regular bus service into the island's capital, there are regular daily boat trips heading into town, as well as along the rugged coastline to Kassiopi, stopping in the gorgeous bays of Nissaki, Kerasia and Aghios Stephanos along the way.
