Region: Normandy Sleeps: 20

Overview

Chateau Saint-Clair offers the charm, refinement and luxury of a château with all the comforts of the 21st Century and the convenience of major transport gateways within a reasonable distance.

This magnificent estate of 8 hectares is surrounded by forest and parkland full of poplar trees and woodland with bi-centenary trees. The historical Epte River meanders its way through the grounds where the majestic château stands proudly. At the entrance of the estate a charming hamlet greets guests – the keeper's cottage and an adorable hen house for fresh eggs.

Recent years have blessed the château with the care and attention of its owners; architects and interior designers with an eye for tasteful renovation and decoration, who have carefully transformed it into their much-loved home. The result is 1200sqm of refined living and sleeping space.

All 10 elegant and individual bedrooms over two floors all have ensuite bathrooms/shower rooms and beautiful views over the parkland and river. Tucked away beneath the château and expertly carved out of the rock foundations is a spectacular indoor heated pool with sauna, shower room and bar.

Tennis, walking, cycling, river-boating and amateur fishing are all possible on the estate. On its doorstep, there are plenty of magical sites to explore – châteaux, abbeys and medieval villages. This area takes visitors through some of France's most beautiful historical events.

This stunning estate will provide tranquillity and peace in an elegant and private setting framed by lush parkland and a romantic river. Your own private paradise guaranteed to create the fondest memories.

What we love

- Château Saint-Clair is like a romantic fairy tale castle, with its tower, majestic lawns, romantic river and very private setting surrounded by forest.
- The Epte River, which runs through the Estate, became the historical boundary of Normandy and Île de France in 911 with the treaty of Saint-Clair-sur-Epte – the river inspired many artists' work, such as Monet and Pissarro.
- Elegance and refinement abound in the luxurious interior, filled with fine French antiques, Murano crystal, oil paintings, candelabras and grand mirrors.
- Paris is just over 70km away and Beauvais airport just under 40km away.

What you should know...

- Short break bookings are on request only and may be limited to wedding/event bookings.
- There is a small hamlet at the entrance of the estate made up of a hen house, a cottage usually occupied by staff and the keeper's cottage which is occupied by the keeper, who lives here discreetly and keeps the grounds meticulously maintained.
