

# Villa Los Pinos

Region: Costa Brava Sleeps: 10

## Overview

Villa Los Pinos is a truly marvellous and substantial family villa located in a lovely tranquil location less than a 20-minute stroll from Tamariu's gorgeous sandy beach and eclectic range of convenience stores, shops selling beachwear, excellent restaurants and lively caf  s.

With lovely well cared for gardens and an inviting private swimming pool, this really is a perfect villa for families with young children who will enjoy having the pleasing quandary of whether to wander down to the attractive beach, or stay home and relax around the pool, what a wonderful dilemma!

The interiors are bright, spacious and exceptionally comfortable with 4 of the 5 bedrooms located on the 1st floor, 3 of these being en-suite! The fifth bedroom can be found on the ground floor along with the airy, bright and modern living space, offering direct access out onto the pool terrace and al fresco dining area.

With a plethora of idyllic bays and coves all within a ten-minute drive away, such as Aguablava, Llefranc and Sa Riera, and with the fascinating medieval hilltop town of Begur a mere fifteen-minute drive from Villa Los Pinos, its little wonder that this terrific villa is likely to become one of our most popular villas in this fascinating region.

## Location & Local Information

According to the British Telegraph newspaper, the beach at Tamariu ranks as one of the best beaches on the Costa Brava. Embraced by pine-clad headlands, the horseshoe-shaped beach is very pretty, family-friendly and sheltered.

Just behind the beach is the pedestrian promenade, where there are some cafes, restaurants and beach gear shops. Parents can happily while away a little time in the shade, sipping whatever they fancy, with their children, only yards away from them, play safely on the sand.

It probably won't be the first time you've heard of it, in this neck of the woods, but Tamariu was originally a small fishing village. It has definitely retained some of its charm and identity, and its beautiful south facing sandy bay offers a romantic destination for lovers. It's also a good choice for families seeking a quieter Costa Brava resort.

The activity in the village will peak in August, but as yet there aren't any English bars or breakfasts. Neither are their high-rise hotels on the landscape, only a blend of greens, blues and sandy shades with pretty whitewashed buildings in the foreground.
