Location & Local Information

Villa Souleka's location is ideal for any holidaymaker looking to relax in privacy, elegance and style. It offers a diverse range of activities, as well as having excellent beaches within a short driving distance. Arguably one of Corfu's finest beaches, Glyfada, is just a 20-minute car journey from the villa.

Located up to the top of a hill, Villa Souleka sits away from the crowds and offers some truly stunning views. It holds a peaceful and private spot on the top of this hill while still making an excellent base for those wishing to fully explore the whole island.

Corfu Old Town is famous for its historical centre, where'll find Venetian buildings recently granted status as a Unesco's World Heritage Site. One of the most beautiful Towns in Greece, the jewel of Corfu Island really shouldn't be missed. Villa Souleka is one of very few private holiday accommodations within such easy reach of the Old Town.

It's also close to the Achilion Palace, originally built as a summer retreat for Empress of Austria (talk about having fancy neighbours!) The location of this Palace was chosen specifically for the natural beauty of Gastouri, very close to where Villa Souleka is located.

What Oliver loves...

- Rare rural location close to Corfu Old Town which boasts an excellent range of shops, bars, restaurants and more. Do make sure you allow an extra 5 minutes for parking!
- The nearby Achilleon Palace in Gastouri, a famous palace built by Empress Sissi of Austria is well worth a visit

What you should know...

- Two of the double bedrooms use additional single beds to accommodate guests, while this may suit families holidaying together, in particular those with young children, it is something that those who enjoy their privacy should be aware of!
- The villa holds a more rural position within Corfu therefore a car will be needed in order to reach amenities and the nearest beach
