What Oliver loves...

- Immerse yourself in local history and take a boat trip to Spinalonga, the inspiration for Victoria Hislop's novel "The Island"
- The archaeological site of Knossos Palace, supposedly one of the oldest villages in Europe, it makes a fantastic day out and is just a car journey away, it really is a must visit but prepare for crowds as it can get very busy in the summer months!
- The terrace area complete with dining facilities is perfect for alfresco dining or just for a sundowner at the end of a long day of sightseeing.
- For larger groups can be booked with the neighbouring Villa Elounda Megali. For such bookings a 5% discount may be applied.

What you should know...

- Those travelling with very young children should ensure they are not left to explore gardens and pathways alone
- While the villa is in a great location, a car will be needed in order to reach local amenities and fully explore the area
- The neighbouring villa is 180m away and both villas enjoy total privacy
