

Villa Terracotta

Region: Costa Brava Sleeps: 6 - 8

Overview

The bold and bright villa terracotta, located just outside Palafrugell, is your ideal base for a family holiday in Costa Brava. Just a short drive from the very popular Calella de Palafrugell and Llafranc coastal towns and within easy reach of some of the most beautiful calas and beaches in the area, there is no better base to explore the wonders of this magical region.

The newly designed modern villa offers a stylish interior and a fun carefree atmosphere, perfect for relaxed holidays with friends and family. It's "L" shape around the pool means all rooms in the house (including all bedrooms) have direct access to the lush gardens, pool and common seating areas outside.

The single level airy house comprises of a spacious open living room and kitchen with very high ceilings and sliding glass doors throughout. From the living room you have access to the loft area via a chic glass staircase. The loft is a calm area ideal for reading and boasts an exceptional view of the region.

Villa Terracotta can accommodate up to 8 guests in 4 bedrooms. There is delightful master bedroom with private luxury shower room. One further double bedroom and two single rooms with bunk beds are also available. These three rooms all share a bathroom.

Outside the fun never stops! A great pool with a shallow level for the little ones, perfect green grass and decks around, a dinning table in the terrace and a separate covered seated area ideal for long evening dinners, plus a large games area in the back equipped with a ping-pong table, a basketball hoop and a trampoline!

Our Marketing Manager recently stayed here and [this is what she had to say about it!](#)

"Ideal for kids of all ages, it has everything you need for a perfect family holiday. There's a brilliantly spacious communal area with lots of space to run and lounge around, an open kitchen and an abundance of indoor and outdoor games (including trampoline and ping pong). It's impossible to sing its praises. The outside area was the perfect playground for our little ones. But what was especially great about Villa Terracotta is that all the rooms look out over the pool, so you feel a lot safer having a view of the pool from all angles. Overall the architecture is quite interesting, unique and as the name suggests – terracotta! Plus, the location was simply perfect, nestled in a quiet area, totally private with flourishing vegetation all around and just 15-minutes away to the beach, so I couldn't recommend it enough."

- Table tennis
- Trampoline
- Basketball hoop
- Portable barbecue
- Sun loungers
- Free parking on premise

Internet

There is no internet installed but guests can rent a wireless WI-FI system. Please enquire.

Location & Local Information

Villa Terracotta is located in one of the most desirable areas in the Costa Brava, just 5 minutes from the town of Palafrugell and 15min from the famous beaches of Calella de Palafrugell, Llafranc and Tamariu to name a few:

Calella de Palafrugell and **Llafranc (10min drive)**, which are next to each other, are bigger towns with lots of small beaches and calas to explore. The cobbled streets, shops and delicious restaurants along the coastline means you can go back and back again.

Tamariu (15min drive) is the most charming small village of quaint white little houses surrounding a calm cala with virtually no waves, so ideal for the little ones.

There are many other prestigious calas and beaches just a **20min drive** away, such as **Sa Riera**, **Aiguafreda**, **sa Tuna**, **Platja Fonda**, **Fornells** and **Aiguablava**.

But Costa Brava is not just about the beaches! We strongly recommend visiting some of the inland towns which are just picture perfect: **Peratallada (15min drive)**, known for its beautiful old stone buildings, rutted stone streets and passageways, and **Begur (20min drive)**, famous for its cobbled streets, boutique shops and proximity to some of the prestigious calas.

Further afield there are many other gems to be explored like **Tossa del Mar (40min)** and **Cadaques (1hr and 20min)**.

The main towns with airports nearby -both worth exploring as well!- are **Barcelona (1hr 30min)** and **Girona (40min)**.

Villa Terracotta is specifically located in Mont-ras, which is just outside Palafrugell. This means the shops and amenities are only a 5min drive away.
