Location & Local Information

Bookended by the coves of Port de Pi and de Rei, the beach of Sa Riera is one of the largest and busiest of Begur. The beach gets its name from the stream which divides it into two parts. On one of these, you'll find many boats beached on the shore, strategically placed so that they can set sail as soon as possible.

The other section is 300 metres of sand, a huge space where you can lay down your towel and soak up the sun. It can be easily reached, by car or by bus, from the centre of Begur. It has an access ramp and toilets and showers.

The fact of being located in an urban environment - but one which still preserves some of its traditional character with the old fishermen's houses - means that there is a wide range of services in the immediate vicinity of the beach (bars, restaurants, hotels, etc.). Taking a stroll along the coastal path is very much recommended.

Villa Sa Riera is located near Platja de Pals, where you will find an amazing Golf course, a vast range of restaurants and bars and an amazing sandy beach. With pretty pine forests, dunes and reeds on one side and wonderful views over the Medes Islands on the other, Platja de Pals is a spectacular beauty. Its long stretch of fine golden sand is 70 metres wide on average and provides an excellent space to play beach volleyball and other games.
