What Oliver loves...

- Take the train from Stresa station into bustling and exciting Milan, enjoy a busy day of shopping or simply sit back and people watch while enjoying a cappuccino in the famous Piazza del Duomo
- The stylish and ultra-cool interiors create a real sense of luxury, while the large private plot gives guests a sense of privacy and exclusivity set slightly away from the hustle & bustle
- When you can finally drag yourself away from the mesmerising Borromean island views, head down to the port and hop on a ferry to visit them yourself!

What you should know...

- While the outside space really does have the wow factor, we recommend that very young children aren't left to explore alone due to the open nature of the infinity pool
