

Villa Restinga

Region: Lanzarote Sleeps: 6 - 8

Overview

Villa Restinga is situated in the upmarket resort of Puerto Calero, which is a mere 5km away from the major hub of the island, Puerto del Carmen. In many ways, this is the perfect location, as this quieter area will feel more relaxed than Puerto del Carmen while the attractions of the town are just a short drive away. Furthermore, the villa is situated right by the marina, giving you fantastic views from the sun terraces of the yachts and seascape on one side and the mountainous interior of the island on the other. This makes the villa the ideal place to chill out and bask in the sun.

Puerto Calero, despite being geographically small, has an impressive array of restaurants and bars, all a short walk away allowing you to sample some fine local Canarian food at minimal effort. If catering for yourself is more your thing you will not be disappointed either. The kitchen of the villa is fully equipped and you will also find a barbecue out on the terrace.

You can also be assured that the other rooms of the house will meet your needs. All the bedrooms have their own bathroom and enjoy views of either the mountains or the sea. There are also a number of facilities that give the house some added home comforts. These include the 50" satellite TV with English channels, the Bluetooth Sound System and the pool table, all of which make the villa suitable for groups of all ages.
