Location & Local Information

The location of the Aphrodite Hills resort could not be more convenient! Paphos International Airport is just 15 minutes away, and you can enjoy the peace and tranquillity of Cyprus's south west corner with all the unspoilt attractions and culture it offers. The resort slopes down toward the shimmering waters of the Med, providing stunning views from the villas and PGA National golf course.

The closest attractions to Aphrodite Hills are Pissouri Beach and Village. They avoid being over touristy even in high season and offer a chance to see the traditional character of Paphos; one all too often missed by visitors to the island.

There is also the beautiful, child-friendly Zias Beach Club, just minutes down the coast, at Avdimou Bay. Aphrodite Hills offer a shuttle to and from the beach, taking a scenic route through the Cyprus countryside, past acres of vineyards.

Pathos old town stands as an internationally recognised site of historic and archaeological importance. The Ancient Greeks believed Aphrodite rose from the sea at Paphos, and many ancient sites, castles, and traditional villages exist in and around the town, making for convenient day trips. This has earned the entire town a place on the UNESCO World Cultural Heritage List.
