

Villa Anxo

Region: Javea Sleeps: 8

Overview

Enjoying stunning views of the town of Jávea to the Mediterranean Sea, Villa Anxo is a very modern villa in an elevated location. Its private garden, this villa gets plenty of sun, which you can make the most of on the incredible pool terrace.

Villa Anxo is stunning both inside and out. The 10x4m swimming pool right on the hillside is a perfect spot from which to survey the scene, and a total of 5 spacious terraces give you lots of room to lounge around, with seating and dining areas and a barbecue.

Inside, a large living and dining room with panoramic views enjoys direct access to the pool area. A well-equipped kitchen and a double bedroom with en-suite can be found on the same level, along with an office. Below, on the lower ground floor, another en-suite double bedroom is accompanied by a playroom with gym equipment.

On the top floor, the remaining two bedrooms are just off the terrace. One includes a full bathroom with bath, shower and bidet as well as a dressing room, while the other has a shower room all to itself. The villa is equipped with all sorts of extras, including satellite TV in all the bedrooms, air-conditioning, a lift and free Wi-Fi.

This villa is within a short drive of two popular beaches, pebbly La Grava and sandy Arenal – 3km and 7km away respectively. Jávea has much more to enjoy too, including excellent shopping, water-sports, tennis and golf. The scenery is pleasing on this part of the Costa Blanca, and Jávea's pretty harbour makes for a particularly pleasant destination.

The town is big enough to offer a wide range of bars and restaurants, many with great views of the Mediterranean. Try the local wine and traditional dishes of the region, which are often hearty and delicious, with plenty of meat, fish and rice. Be sure to end your meal with a sweet pastry or a Jijona ice cream, made with locally grown almonds.

As well as international cuisine, you can also try the local wine, such as Jalon – a fine accompaniment to some hearty Mediterranean desserts. The town has many attractive buildings including churches and monasteries – look out also for the ancient windmills which dot the landscape just outside the city.
