

Villa Vita Trevo

Region: Lagoa Sleeps: 10 - 12

Overview

The dramatic ocean views can be admired from all five bedrooms at the incredible Villa Vita Trevo, part of the luxurious resort on the Portuguese Algarve. The décor takes its inspiration from the sea too, with blues, greens, white and silver dominating the colour palette of this wonderfully spacious and seductive villa.

Villa Vita Trevo enjoys all the advantages of being part of this exclusive resort, with sports facilities, bars and restaurants, a children's park and a diving centre among the facilities close by. It's a short walk from the beach too, and the villa itself has a magnificent infinity pool and sun terrace. Aside from plenty of loungers and a beautiful covered dining area, there's a stunning hot tub perfectly positioned for enjoying the Mediterranean views to the max.

It doesn't stop there, because you also have a private gym complete with sauna and steam bath, and a feature barbecue for impromptu dining in the sun. The gazebo provides some moments of shade, while the amazing rooftop terrace is another spot to cherish.

Inside, you have three beautifully furnished suites downstairs and two up, with the capacity to sleep up to twelve guests. The largest comes in at a huge 272 sq.m, and all have stunning en-suite bathrooms. The villa has two large living and dining rooms, one on each floor, and two well-equipped kitchens to accompany them. Several private terraces allow you to get out and enjoy the fresh air and surroundings in an instant.

At around 18km south-east of Portimao, the 5-Star resort really has everything you could want to make your stay spectacular. Its ten restaurants run the gamut from beachside dining to Michelin Star excellence, and from local specialties to international cuisine. The Vital Spa is another treat, offering beauty and wellness treatments as well as a gym and health club, while golf, tennis and a host of water-sports can all be enjoyed on or around the resort.
