Location & Local Information

The Balearic island of Menorca is the quieter, unspoilt version of its big sisters Majorca and Ibiza.

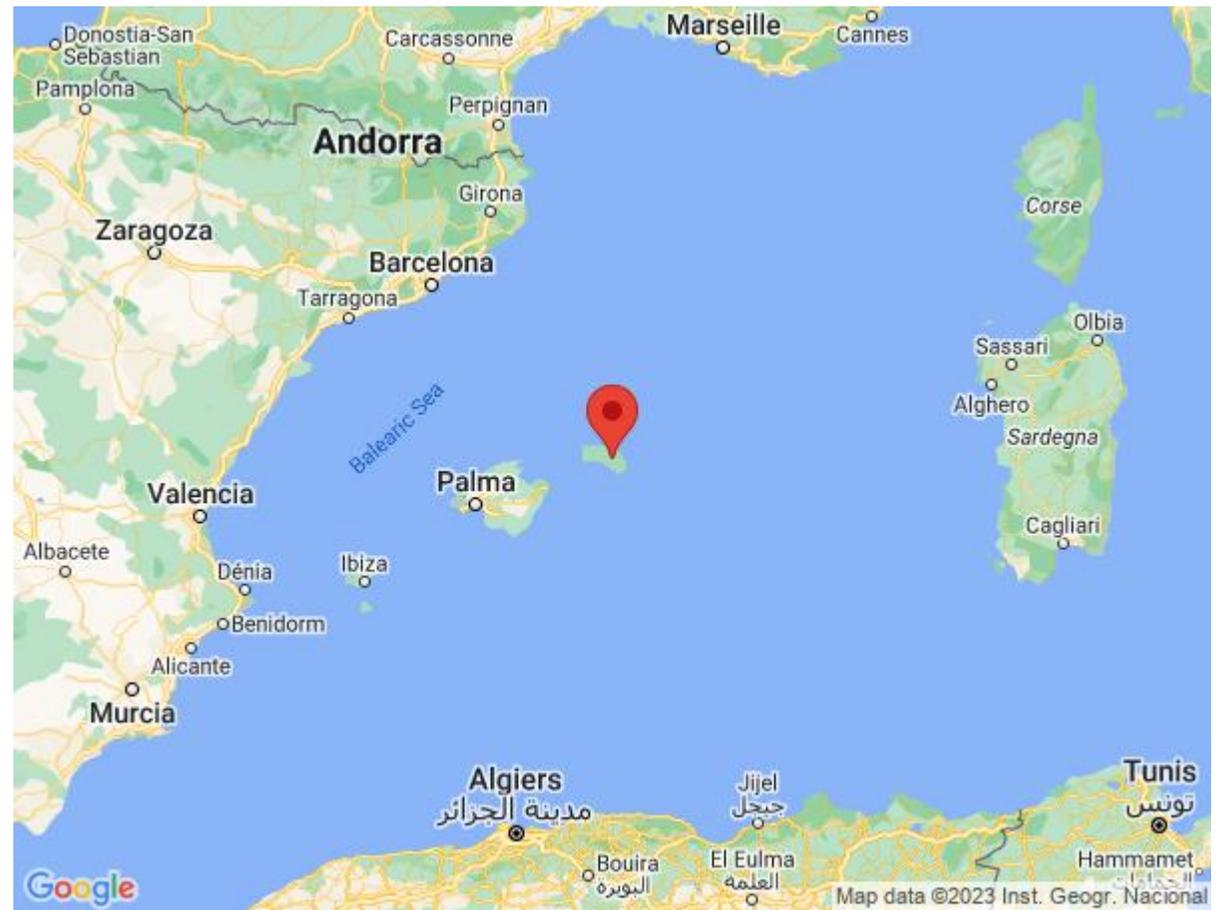

While it is partly known for its traditional summer fiestas, which take place in different towns around the island all summer long (with origins dating back to the 14th century!) it's really the place for those who enjoy a calmer, slower pace of life.

Aside from its traditional fiestas, Menorca is better visited for its white-sand bays such as Pregonda and Cala Macarella, clear, turquoise water and more gentle activities like walking, cycling or horse-riding. With a coastline punctuated by beautiful coves and a landscape awarded the UNESCO Biosphere Reserve status, strewn with ancient stone monuments and an estimated 70,000km of dry-stone walls, this is an island for the nature lovers, and anyone looking for a little rest and relaxation.

With its fabulous location at the very heart of Menorca, Villa Pistoria benefits from being just a 15-minute drive from both the beautiful north coast beaches of Pregonda, Binimelá, playas de Fornells, Arenal d'en Castell and those in the south, Santo Tomás, Biigaus, Son Bou, Calan Porter! The local town of Alaior is within walking distance, putting all necessary amenities at your fingertips! The capital town of Mahon is also just 10 minutes away and makes for a beautiful day of strolling, with many narrow pedestrianised streets and historical sites to visit, as well as plenty of bars, cafes and restaurants.
