Location & Local Information

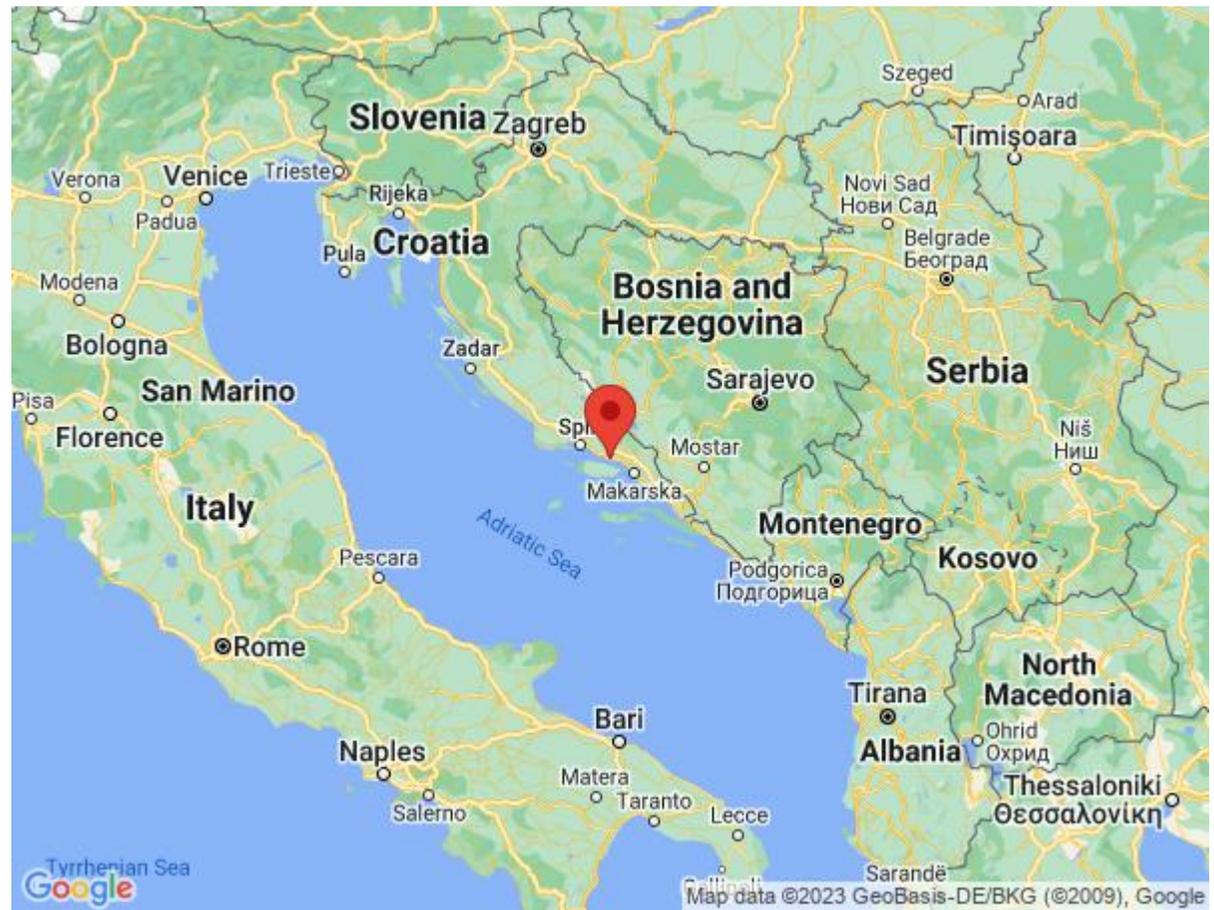

Lokva Rogoznica is a peaceful village on the Dalmatian Coast of Croatia, just 8km from the larger town of Omiš. Pretty beaches and a quiet serenity make it a real get-away-from-it-all destination, feeling remote yet not far from its livelier neighbour.

At the foot of the Dinara mountain, the old part of the village was once the largest settlement on the Omiš Riviera. It has since been joined by a newer development closer to the sea, where visitors can enjoy a number of pleasant restaurants and bars.

The beautiful natural surroundings of the Dalmatian region make it a popular choice for almost any kind of outdoor activity on land or sea, with fishing, cycling, sailing and easier to enjoy.
