

# Villas Saina

Region: Elounda Sleeps: 2 - 6

## Overview

Modern and stylish, Villa Saina has a light and airy feel. It has all the things you'll need on holiday (private pool, outside dining areas, air conditioning) but as well as that, it has beautiful views across the Mirabello Bay. Sitting high up on the hillside, it's perfectly situated so that each balcony gets the very best of these stunning views.

Starting from the top down, the master bedroom up on the second floor has an en-suite bathroom and private terrace. The terrace takes full advantage of the view – take yourself up there for a bit of peace and quiet in the early evening, enjoy an aperitif before supper outside on the main terrace downstairs.

The kitchen and living room are situated on the first floor – they share a balcony, and there's a covered eating area for breakfast outside. The open plan sitting room also has a dining table and chairs for cooler evenings, or if you want to escape the Cretan sun. The kitchen is well-equipped, with everything you'll need, and there's a wealth of local produce to be found in Elounda, so you can enjoy cooking the local specialities of the region while you're there. For those of you who want to switch off completely, the local restaurants are only a short drive away, so ask around for recommendations and you'll hardly need to use the kitchen at all!

The ground floor has two further bedrooms (one twin, one double) and a bathroom. Here too are the laundry facilities – not glamorous maybe, but necessary! Access to the main terrace area is from the ground floor, and the best bit about it all is the 24m2 infinity swimming pool with its incredible view. There's a BBQ area here, and covered terrace – so you can enjoy lunch in the shade, or sundowners looking out across the bay.

Villa Saina is a lovely private place to enjoy a really relaxing holiday – if you want to leave your private pool, there are beautiful beaches nearby. Or just enjoy the villa with its private balconies and cosy living room.

# Location & Local Information

Villa Salina, holds a fantastic location just a short distance from the popular town of Elounda. Just a little further along the coastline is the resort of Agios Nikolaos which offers visitors a wider selection of amenities including restaurants, shops, bars and nightlife. The closest airport is Heraklion, it is situated around a forty-five minute car journey away from the property.

## What we love

- The private terrace, just off the Master Bedroom – enjoy your morning coffee soaking up the view across the bay.
- The private swimming pool – sitting within the 140m2 terrace area, this is a beautiful spot to enjoy the full panorama of the bay
- The location – beautifully situated with stunning views, but also only a short drive from the luxurious Six Senses Spa, local restaurants and a golf course – something for everyone!
- Perfect for relaxation, as there is no road or traffic nearby. Amazing views of Mirabello Bay all the way to Spinalonga
- The fridge was stocked with Cretean goodies on our arrival.

## What you should know...

- You'll need a car in order to fully explore the local area, but the villa has private parking so you won't need to worry about losing your space! The villa is up a fairly steep hill, so a car is definitely recommended.
- The pool is accessed directly from the ground floor so something to keep in mind if you have young children in those bedrooms – however, there is a safety pool net that can be set up round the pool for peace of mind.
- The villa is one of a small group of 4 similar villas, you may be allocated any of the 4.
- The prices for 2, 4 and 6 people represent the number of bedrooms that will be made available. If you are booking for two people using 2 bedrooms, you should book for 4 people etc.
