

Villa Kamilia

Region: Marrakech Sleeps: 12 - 16

Overview

Tradition meets luxury in this gorgeously finished Moroccan villa.

Nestled within a beautiful park, surrounded by history, nature and the striking blue hues of the Moroccan sky, this home is a slice of paradise, perfect for families and friends alike.

This large villa is practically unique in its size, accommodating at least 16 people comfortably with eight bedrooms set out across two floors and two buildings, each boasting the same strong, rustic architecture. The exterior of this villa is home to a very generously sized pool, big enough to accommodate all guests at any one time or, for those who prefer a quieter swim, picture bathing in the warm embrace of the water as the sun rises or sets, a fantastic vista to accompany any solitary swim. Also around the poolside are some sun loungers, for those who are looking to absorb the sun but with a little less splashing!

Moving towards the property, there is a covered outdoor terrace which is home to a cosy seating area as well as an outdoor dining area where guests are free to sample the delights of Moroccan cuisine, in the company of such raw, natural beauty.

Inside the home, there is a natural palette featuring warm creams and browns which not only ties the home together with a welcoming atmosphere but also highlights the many amazing pieces around the home. With traditionally styled rugs, ornate lamps, art, antique pieces and colourful patterns, the opulent style of this home is prevalent throughout. This is true of the bedrooms too, which are overflowing with space, mood lighting, comfort, style and best yet, all with ensembles finished to the same high standard. Picture sinking into the bubbles of the rustic, stone clad baths after an exciting day of shopping in the souks.

Of course, this home has plenty more to offer including fitness equipment, table tennis, a hammam, Jacuzzi and massage service. The delights of Marrakech, golfing and shopping are all just minutes away.

Location & Local Information

Immerse yourself in the bursting lively culture of Marrakech and discover your perfect Moroccan adventure.

Marrakech, also fondly referred to as the “Red City” is based in Western Morocco, nestled against neighbouring countries of Algeria and Western Sahara. Set against the Saharan skies of Africa, this beautiful, former imperial city is just bursting at the seams with the rich culture.

Founded only 1000 years ago, Marrakech has evolved into a thriving modern market city with perfectly preserved evidence of its grand medieval heritage around every corner. In this city, there truly is something for everyone offering memorable experiences for every visitor from the hustle and bustle of the many Souks and bubbling, the infectious din of the globally famed local eateries as well as picturesque golf courses, desert getaways and of course the many museums, palaces and religious monuments.

A day in Marrakech could see you enveloped in stylish fashion and lured by colourful homewares in the Souk Cherifa or surrounded by intense hues and textures at the Souk Sebbaghine. After this, you may find yourself in one of Marrakech’s many palaces or gardens, or even at the local Hammam eventually finishing your day with a tagine after watching the blur of people flock to the local Mosque after the bell rings out for the evening prayer.
