Location & Local Information

Immerse yourself in the bursting lively culture of Marrakech and discover your perfect Moroccan adventure.

Marrakech, also fondly referred to as the “Red City” is based in Western Morocco, nestled against neighbouring countries of Algeria and Western Sahara. Set against the Saharan skies of Africa, this beautiful, former imperial city is just bursting at the seams with rich culture.

Founded only 1000 years ago, Marrakech has evolved into a thriving modern market city with perfectly preserved evidence of it’s grand medieval heritage around every corner. In this city there truly is something for everyone offering memorable experiences for every visitor from the hustle and bustle of the many Souks and bubbling, infectious din of the globally famed local eateries as well as picturesque golf courses, desert getaways and of course the many museums, palaces and religious monuments.

A day in Marrakech could see you enveloped in stylish fashion and lured by colourful homewares in the Souk Cherifa or surrounded by intense hues and textures at the Souk Sebbaghine. After this, you may find yourself in one of Marrakech’s many palaces or gardens, or even at the local Hammam eventually finishing your day with a tagine after watching the blur of people flock to the local Mosque after the bell rings out for the evening prayer.
