

Villa Hasna

Region: Marrakech Sleeps: 10

Overview

Based on the rural serenity of ancient Morocco, lies this luxurious home, perfect for idyllic getaways, a true Moroccan masterpiece. The striking, warm, pinkish exterior hints at the decadence that lies within. The gentle sloping angles of the architecture are striking, especially in an area of such natural beauty where the bright blue skies melt into the vista of natural greens, forming an earthy horizon of fantastic views all around the home.

To the outside of Villa Hasna, there is a large swimming pool, aptly framed by sand coloured stone and soft green grass. The picture was splashing around with your family, lazing under the sun or just enjoying the feel of the warm grass under one's feet. Just to the side of the main pool area is a cosy covered area featuring sun loungers, this offers a welcome respite from the hot Moroccan sun without compromising on the encompassing views! There is also a covered terrace attached to the villa which offers further seating as well as an al fresco dining area, the best place to enjoy late night cocktails under the Moroccan moonlight.

Moving into the home, there are five bedrooms laid out across two floors. Each room has it's very own ensuite and boasts chic styling, finished to a very high quality. The spacious bedrooms are steeped in hues of beige and creams to highlight the space and encourage an atmosphere of warm tranquillity. Guests will be just as amazed by the bathrooms, with one, in particular, offering a large bathtub with a huge window overlooking the natural horizon. Imagine the warm hug of a bubble bath, accompanied by the panoramic views of the setting sun, what better way to end the day?

There is so much more on offer just outside of the property, with Marrakech just minutes away!

Location & Local Information

Immerse yourself in the bursting lively culture of Marrakech and discover your perfect Moroccan adventure.

Marrakech, also fondly referred to as the “Red City” is based in Western Morocco, nestled against neighbouring countries of Algeria and Western Sahara. Set against the Saharan skies of Africa, this beautiful, former imperial city is just bursting at the seams with rich culture.

Founded only 1000 years ago, Marrakech has evolved into a thriving modern market city with perfectly preserved evidence of its grand medieval heritage around every corner. In this city there truly is something for everyone offering memorable experiences for every visitor from the hustle and bustle of the many Souks and bubbling, infectious din of the globally famed local eateries as well as picturesque golf courses, desert getaways and of course the many museums, palaces and religious monuments.

A day in Marrakech could see you enveloped in stylish fashion and lured by colourful homewares in the Souk Cherifa or surrounded by intense hues and textures at the Souk Sebbaghine. After this, you may find yourself in one of Marrakech’s many palaces or gardens, or even at the local Hammam eventually finishing your day with a tagine after watching the blur of people flock to the local Mosque after the bell rings out for the evening prayer.
