

Villa Hipica

Region: Costa Brava Sleeps: 8

Overview

Villa Hipica large four-bedroom family villa, sleeps up to eight people and is situated in the centre of Begur, based in the coastal region of Costa-Brava. It overlooks breath-taking sea and countryside views; which guests could never get bored of. Furthermore, it has a larger than average outdoor private swimming pool with Roman steps, which is ideal for guests who may have mobility issues. The outside area also has plenty of sun-loungers and garden furniture to lounge around on. An advantage of this villa is that both storeys have their own outdoor terrace meaning that there are lots of areas to socialise, and dine on.

The interior is equally captivating! The villa is made up of two-storeys, and it is extremely modern. There is a large, open-plan living, dining and fully equipped kitchen area with part of the wall and ceiling being made of glass allowing the Costa-Brava sun to flood in making the room feel bright and airy. Furthermore, most of the rooms have patio doors which provide direct access to the outdoor terraces. Additionally, the bathrooms are extremely modern making you feel like you are inside a tranquil spa, and the bedrooms are very minimalist which creates a calming and relaxing environment. This villa truly is one of the best!

This villa is in a prime location and there is something for everybody to enjoy, especially as it is in the town of Begur, where there are many exceptional restaurants and bars, as well as a weekly market. There are also several attractions there, for instance, the family can enjoy looking at historical sites, such as, the Castell de Begur or visiting the local water-park, Platja d'Aro. Furthermore, the villa is only 4.1km away from the beach, and most importantly, it is only an hour's drive from Girona-Costa Brava Airport so getting there could not be any easier!
