Location & Local Information

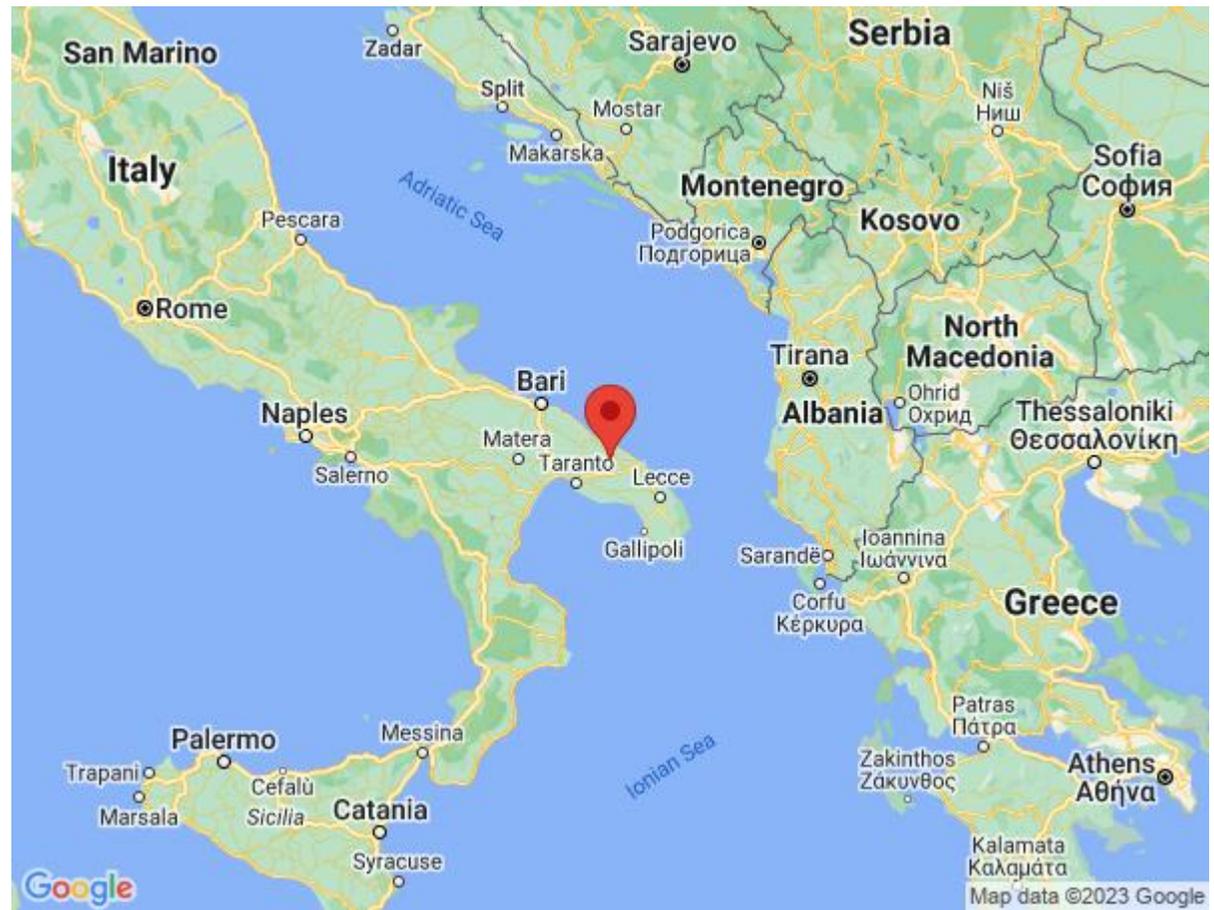

Located in Puglia, Ostuni is one of the most beautiful cities in the region and is home to some of the best, most exclusive resorts of Puglia. Affectionately known as the “White City”, this hilltop city is just overflowing with dazzling, white washed stone buildings (hence the name!). The convenient hilltop location gives amazing views of the endless olive trees and natural greenery of the surrounding countryside.

Just beyond that, the greens merge into the bluey hues of the Adriatic sea creating a breath taking vista. The city itself was built in Medieval times and completely without a plan! It stands now as an intricate white washed maze of staircases, beautiful archways and cobbled alleys. A day can easily be spent winding through these amazing streets, occasionally accompanied by a peek of the stunning Adriatic from behind a building, beyond the cities walls. The main street here is brimming with shops, souvenirs and cosy boutiques, but more delights lie in the winding maze of streets including the market and the cathedral.

Beyond the city, there are many idyllic beaches all within a short driving distance. There are also the neighbouring towns of Cisternino, Ceglie Messapica and Polignano Sur Mare which all offer varying activities including water sports, golf, historical tours and shopping.
