# Location & Local Information

Equidistant between San Antoni in the north and Ibiza Town in the south, this villa is perfectly positioned to enjoy both the active, sporting offers and the fashionable elegance of the bars, restaurants and retail therapy offerings of the island!

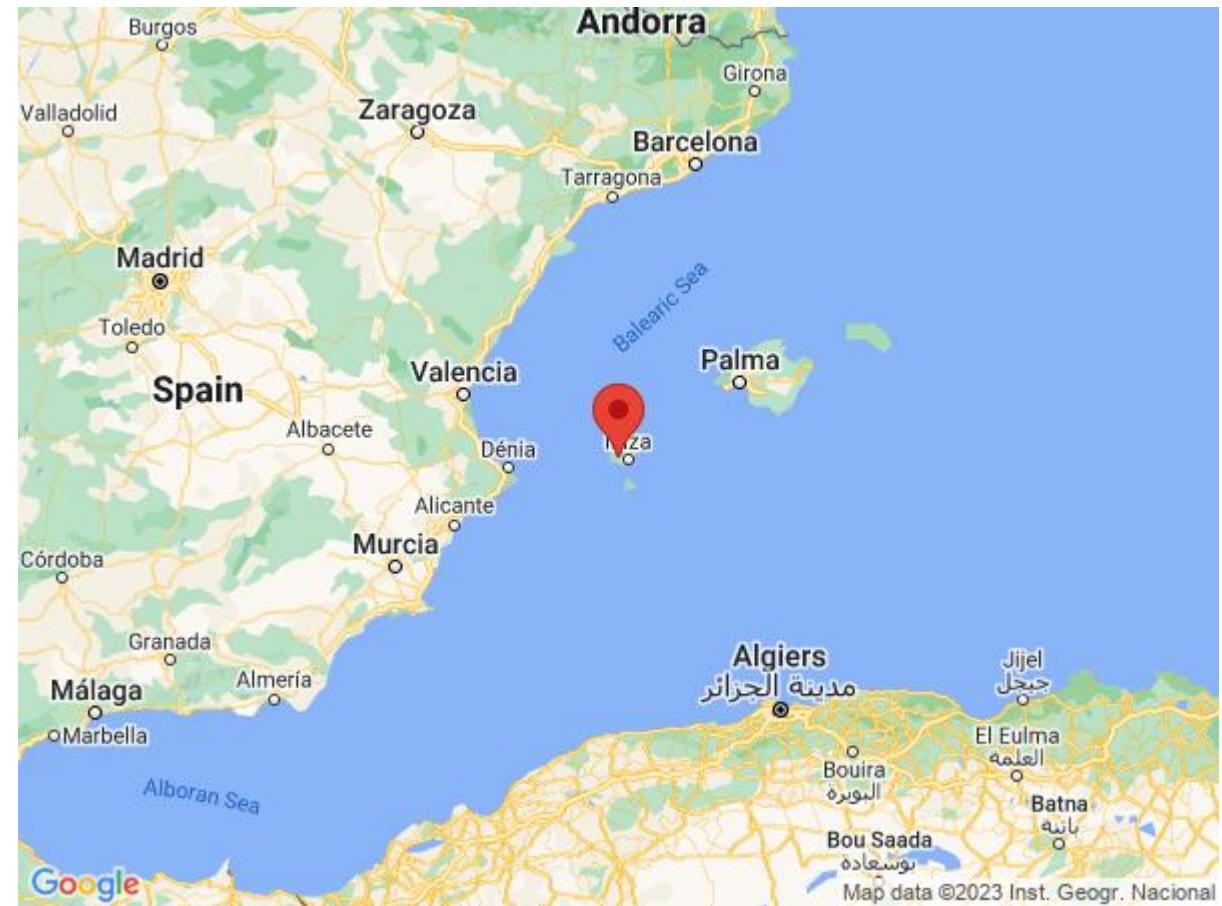

Despite its current reputation for all-night parties, hedonism and elegance, Ibiza was first popularised by a hippy community, and in amongst the trendy clubs and lively beaches, their presence is still felt in the many markets they established throughout the years.

The immense popularity of the island ensures you'll never be far from anything you need – be that a supermarket, restaurant or an all-night dance floor! As the clubbing capital of the world, you can guarantee a good night out at any of Ibiza's famous clubs including Pacha, Amnesia and the world's biggest club: Privilege.

And for those not looking to party every night, Ibiza is ideal for a romantic weekend and even an active family holiday – with amazing cycling, kayaking, hiking, and many more activities on offer! These are particularly good during the winter when the island calms down a little but retains its fabulous weather.

Of course, no Spanish island would be complete without a fine array of wine and seafood on offer, and Ibiza is no different, with a thriving culinary scene.

Ibiza has earned its status as a perfect holiday destination, thanks to its shimmering turquoise waters, lagoons, coves, and of course, endless beaches that stretch to the horizon, as well as its less documented charming countryside and vibrant communities dotted across the little island.
