

Casa San Carlos

Region: Ibiza Sleeps: 8

Overview

A perfect blend of traditional and modern design, Casa San Carlos offers an interesting, comfortable and tranquil holiday home, set in the beautiful hills of Ibiza.

Demonstrating great attention to detail, this exquisite villa combines typical Spanish, Thai, Balinese and even Mexican cultural items and décor with more conventional country-house furniture. The spacious open plan living areas include a fabulous fitted, wooden kitchen with a huge fridge/freezer, gas oven and hob and a large breakfast bar. In this same space is a large dining table for up to eight people, alongside a TV. There is a second dining table in the adjoining room, allowing you the freedom to vary your dining arrangements each day. In fact, we nearly lost count of how many options you have for dining, so whether you fancy your meal indoors or out, at a round, long, short, wooden or wicker table, upstairs or down, we've got it all covered!

The main living area consists of a set of comfortable chairs and sofas in front of the fire and another television, a perfect spot for the cooler winter evenings. From exotic wooden furniture and fittings, to tasteful decorations, each room has little something different to catch your eye! Overall, this array of indoor living and dining areas will ensure everyone has the space they need to relax and enjoy each day.

There are also two bedrooms on this ground-floor, both with two single beds, one of which has a shower room ensuite. The other two bedrooms are on the first floor. Both enjoy air conditioning and ensuite shower rooms. Modern yet striking, all four bedrooms are designed with a great attention to detail, ranging from cultural items to bright cushions and wall hangings, with a splash of colour and pattern here and there, but an overall sense of calm and comfort. The bathrooms all have a perfectly traditional feel, with prominent decorations and wooden fittings.

On this first floor there is also a second terrace area with a chill out zone of chairs and sofas, offering incredible views over the leafy hills of Ibiza. This wonderful terrace area complements an already comprehensive offering of outdoor furniture below. The spacious main garden offers endless options for dining, relaxing and socialising, with comfortable sofa corners, a large dining table, a huge pool and even a Balinese bed! The pool itself is split into both a large normal pool and a second, smaller pool safer for children, and these are

lined by an array of comfortable sun loungers with optional umbrellas for shade. The outdoor dining table is perfectly shaded from the beaming sunlight and offers yet another option for dining. There is also a barbeque, parking for five cars and a vast 1000m2 plot to explore!

The exterior of Casa San Carlos is simply majestic; a white and wooden paradise, standing out boldly against the bright blue skies and luscious green countryside – all just a short walk from the nearby shops, beaches and restaurants!

Location & Local Information

Santa Eulària des Riu Despite its current reputation for all-night parties, hedonism and elegance, Ibiza was first popularised by a hippy community, and in amongst the trendy clubs and lively beaches, their presence is still felt in the many markets they established throughout the years.

The immense popularity of the island ensures you'll never be far from anything you need – be that a supermarket, restaurant or an all-night dance floor! As the clubbing capital of the world, you can guarantee a good night out at any of Ibiza's famous clubs including Pacha, Amnesia and the world's biggest club: Privilege.

And for those not looking to party every night, Ibiza is ideal for a romantic weekend and even an active family holiday – with amazing cycling, kayaking, hiking, and many more activities on offer! These are particularly good during the winter when the island calms down a little but retains its fabulous weather. Of course, no Spanish island would be complete without a fine array of wine and seafood on offer, and Ibiza is no different, with a thriving culinary scene. Ibiza has earned its status as a perfect holiday destination, thanks to its shimmering turquoise waters, lagoons, coves, and of course, endless beaches that stretch to the horizon, as well as its less documented charming countryside and vibrant communities dotted across the little island.
