## Location & Local Information

Set inland from the Costa del Sol, just 25 minutes from Malaga Airport, the Roman town of Coin offers a relaxed alternative to the hustle and bustle of the larger nearby towns of Marbella, Fuengirola or Torremolinos. Situated at the foothills of the Sierra de Mijas Mountains, overlooking the spectacular Guadalhorce valley, you'll arrive through fields of orchards and acres of forest to this well kept Andalucían secret.

For those that enjoy a quieter and more traditional Spanish holiday experience, Coin is a perfect choice, offering traditional beauty, a stunning location and still a vibrant little town that has a good array of bars, restaurants and shops. There are some lovely piazzas where you can while away an afternoon with a coffee, surrounded by attractive architecture, watching the world go by.

The nearby towns of Monda with its steep winding streets and beautiful castle, along with Guaro which boasts the Luna de Moro festival in the summer, are both worth a visit. You are also surrounded by the beautiful forests of Alpujata, La Fuente, El Charco del Infierno and La Albuquera, which are fantastic to visit. For beach options head to the golden sands of Marbella or Torremolinos both under half an hour drive away. And for the keen golfers amongst you Lauro Golf, a 40 minute drive away, offers players some of the most outstanding scenery possible.
